## **Enterprise Portal** <sup>[1]</sup>

**Overview:** Enterprise Portal is the main point of entry for self-service applications for students, faculty and staff. It is also the main access mechanism for the tools that are integrated under the Integrated Student Information System (ISIS); including [Campus Solutions](#) <sup>[2]</sup>, [Cognos](#) <sup>[3]</sup>, [Document Management](#) <sup>[4]</sup>, [Customer Relations Management \(CRM\)](#) <sup>[5]</sup>, [fsaAtlas](#) <sup>[6]</sup>, [Degree Audit \(DARS\)](#) <sup>[7]</sup>, [Admissions \(OAO\)](#) <sup>[8]</sup>, [Concur Travel & Expense System](#) <sup>[9]</sup> and [CU Marketplace](#) <sup>[10]</sup>. CU campuses have their own main entry portal and a campus-specific prospective student recruiting portal.

**Benefits:** Some of the benefits of the Enterprise Portal include:

- Single point of access for all university applications
- Branded to the look and feel of the campus with which the employee is associated.
- By having a single point of entry, the cost of implementation for future systems is decreased by providing a seamless single sign on for all systems the user has permissions to access.

**Who is eligible to use the service:** All students, faculty, staff and anyone interested in attending any campus of the University of Colorado.

**How to request access to the service ? Faculty and Staff:** For information on how to request access to Enterprise Portal, see the [Access](#) <sup>[11]</sup> website.

**How to request access ? Students:** Access is granted by signing up as a prospective student or applicant through the online admissions application.
