UCSC Chair Report
- Question from Erin Foster: Is there an opportunity to be more transparent and proactive about
  Board of Regent meetings?
  - Answer from Deserae Frisk: The Regents are responsive, receptive and willing to talk, so
    that should be a possibility.
- Question for Tricia Strating: With the two minute reporting time or one page limit that you have
  at the Regent’s meeting, how do you have time to respond?
Answer from Deserae Frisk: I have never been timed. I am clear and concise. The last report was 1 ½ pages and no feedback was given.

Question from Erin Foster: As far as communication, it seems that the Regent meetings are the primary line of communication. What is done when questions and concerns arise? What are they expecting?

Answer from Deserae Frisk: If it is system-wide, I should be notified. I will ask about campus specific situations.

Treasurer’s Report
- Travel is over $4.02 so we need to decide to ask for more or take it out of the general budget.
- Lodging is over budget and food is under budget.
- The Chair requested a report consisting of the last 3 or 4 years of travel. She will present this to Jill Pollock and discuss an increase in budget with her.
