<http://www.colorado.edu/campusmap/map.html?bldg=JSCB>

Tuesday

8:00 – 8:30

Study Session - UCCS

8:30 – 10:30

Academic Office Building

Architect(s): SlaterPaull

Presenter(s): Clayton Cole, Jennifer Cordes, Gwen Gilley, Gary Reynolds, Carolyn Fox

Description: Presenting concept and schematic design.

10:45 – 11:00

Study Session – Anschutz Medical Campus

11:00 – 12:30

University of Colorado Hospital Rocky Mountain Lions Eye Institute

Architect(s): Davis Partnership

Presenter(s): Hugh Brown, Davis Partnership; Tony Ruiz, University of Colorado Hospital

Description: The project is an approximately 87,000 GSF addition to the existing 47,000 GSF University of Colorado Hospital Rocky Mountain Lions Eye Institute on the Anschutz Medical Campus. The building will be expanded to the south and vertically (from 3 to 5 stories). The building design has been presented to the DRB previously and has been modified based on prior DRB comments to move the south wall back and have increased program on the 1st floor.

12:30 – 2:00

Update on Monumental Signage – Anschutz Medical Campus

Architect(s): Stanley Group

Presenter(s): Mark Kopatz – Stanley Group; Andre Vite – Office of Institutional Planning

Description: Review for approval.

Wednesday

9:00 – 11:30

**Study Session – *CU-Boulder*
POD J, Baker Hall, & SEEC Landscape Review**

11:30 – 12:00

Lunch

12:00 – 1:30

POD J Development

Architect(s): Davis Partnership

Presenter(s): Brian Erickson, Davis Partnership

Description: This project is proposed for POD J by a private development manager (NexCore Group) in conjunction with CUREF as the owner for a known tenant (University of Colorado Hospital Authority). The proposed building is approximately 52,220 GSF on two levels (including shelled expansion space) with a portion of the parking below the building. Site work includes surface parking, a patient entry drop-off area, one side of the street-level CU Campus entry signage, and integration of on-site wetlands area into the overall site landscaping.

1:30 – 3:00

Baker Hall Renovation Design Development Review

Architect(s): Aller-Lingle-Massey Architect with Whiting-Turner Contracting

Presenter(s): Tom Goodhew, Brad Massey, Henry Ehrgott

Description: This project renovates student residences to provide an estimated 450 beds and adds amenities, including a 24-hour reception desk, student common areas, study spaces, RAP classrooms and offices, and a Faculty-in-Residence apartment. Site work includes surrounding landscape courtyards, adjacent Baker Drive and plaza area between Baker and Libby Halls.
