Software Available for Departmental Use

University of Colorado System Administration users are eligible to use the following software for departmental purposes only:

- Microsoft Windows XP/Vista/7
- Microsoft Office 2007/2010
- Microsoft Visio 2010
- Microsoft Project 2010
- Microsoft Forefront (anti-virus software)
- Adobe Acrobat

At this time UIS cannot provide any of the above-mentioned software for personal use.

We are eligible to purchase Adobe Software licenses at discounted costs for both personal and departmental use. Please contact UIS Desktop Support for further information.
