

Resolution regarding establishing criteria for NTTF participation in governance

Passed Unanimously by Faculty Council on 29 April 2010

Whereas the Regents' Policy 5-L indicates that "Eligibility for participation in campus faculty governance activities will be at the discretion of the individual campus faculty assemblies. Eligible participation in school faculty governance activities will be at the discretion of the individual school."

Whereas each of the faculty assemblies includes voting eligibility criteria in its constitution and/or bylaws;

Whereas many schools and colleges as well as primary units do not include voting eligibility criteria in their bylaws, policies, and procedures.

Therefore the Faculty Council Personnel Committee requests that the Faculty Council urge each Faculty Assembly to work with their Vice Chancellor for Academic Affairs to establish policies requiring every primary unit, school, and college to establish voting eligibility criteria for all faculty, including non-tenure-track faculty as appropriate and consistent with Regents' Laws and Policies.
