8.9 HRMS Step by Step Guide
Spring Semester LOA (LWOP) Contract - Workforce Administration Module
9 Pay 9 and 9 Pay 12

Overview: This guide provides steps to use for setting up contract pay faculty for Spring Semester Leave of Absence Without Pay (LOA). Leaves of Absence are not entered into the system as part of the faculty salary upload process.

A contract employee cannot be put on Leave of Absence Without Pay (LOA) in the middle of a pay period. The effective date of the leave must be equal to the first day of the pay period or must be entered after payroll is run for the applicable pay period. Likewise, the employee cannot be returned from LOA in the middle of a pay period.

In version 8.9, Oracle/PeopleSoft has changed the name of Administer Workforce to Workforce Administration.
