Skype for Business – Add a Contact

• There are two ways to add a Contact:
  – Search using their name
  – Finding them within or external to your organization
Skype for Business – Add a Contact

1. In your system tray (located in the far right bottom corner of your screen), click on the up arrow and then click on the Skype for Business icon.
SEARCH USING THEIR NAME
1. In the “Find someone” field, type the name of the person you want to add to your contacts. In this example, Sharon Grant.
2. Once Sharon Grant is shown, right-click on her name and either Add to Favorites or Add to a Contacts List (if you have created Groups).
