FY 2011 to FY 2021

- CU draws a large number of students transferring from community colleges and other four-year institutions (public and private, in-state and out-of-state).
- Strong transfer enrollment indicates that CU is accessible to all students and that transfer policies are conducive to successful transfer.
- Counts include all incoming transfer students, full-time and part-time.

FY 2021-22 data will be available in August 2022.
