FY 2019-20

About HERD
The Higher Education Research and Development Survey (HERD) collects information on R&D expenditures by field of research and source of funds. The survey is an annual census of U.S. higher education institutions that expended at least $150,000 in separately accounted for R&D in the fiscal year.

CU System is #14 in Research Expenditures
CU Boulder is #1 public recipient of NASA research funding
