

Incoming Undergraduate Transfer Students

■ Boulder ■ Colorado Springs ■ Denver

- CU draws a large number of students transferring from community colleges and other four-year institutions (public and private, in-state and out-of-state).
- Strong transfer enrollment indicates that CU is accessible to all students and that transfer policies are conducive to successful transfer.
- Counts include all incoming transfer students, full-time and part-time
- Majority of arriving transfer students are resident, white, and begin as sophomores
