

High School Concurrent & Dual Enrollment

FY 2012 to FY 2021

The number of high school students taking a college course per year. This includes all types of concurrent enrollment.

“Concurrent Enrollment” or “CE” includes multiple types of courses:

- Concurrent Enrollment was created by House Bill 09-1319 and detailed in the Concurrent Enrollment Programs Act (C.R.S. §22-35-101 et seq.).
- ASCENT (Accelerating Students through Concurrent ENrollment Program) falls under the Concurrent Enrollment Programs Act.
- Other Concurrent, including campus programs such as CU SUCCEED. Passage of SB 19-176 increased CE while reducing dual enrollment programs, such as CU Succeed at CU Denver.
