Comprehensive Benefit Package

Welcome to the University of Colorado! CU's four campuses are working to transform Colorado's communities and the nation through the efforts of its amazingly diverse workforce. Classified Staff members are key to fulfilling the university's [mission](#) to be one of the greatest university systems in the world, an engine of leading-edge teaching, discovery and inclusivity.

Employee Services strives to make CU's workforce stronger, healthier and more secure. That's why we offer a comprehensive benefits package to support your health, wellness and retirement goals. This benefit package is an important part of your [total compensation](#). It provides choice and value to meet the needs of CU's diverse workforce. With that choice comes a lot of information that may feel overwhelming. We have tools and information to help you make the best choices for you and your family.

This booklet offers a comprehensive overview of your health, wellness and retirement benefits options, as well as your eligibility and enrollment. There are many useful links to tools and resources that will help you dig deeper as you choose your benefits and use them.

Your main source of information is the [Employee Services](#) website. The information in this booklet is housed there, in addition to all you will need to use your benefits. If you need additional help or guidance, you can speak to a benefits professional by calling 303-860-4200, option 3 during regular business hours, or email benefits@cu.edu.

General Eligibility Rules

Employee eligibility: As a Classified Staff employee, the university will review your job classification and appointment to determine your eligibility. Typically, you must be in a regular, benefits eligible position (or a combination of positions) of 50% or greater appointment to be eligible for employee benefits.

Dependent eligibility: As an eligible employee, you can add the following dependents to your plans:

- Spouse, common-law spouse, civil union partner, domestic partner*
- Dependent children up to age 27
- Qualifying children with a disability over age 27

Once enrolled, adding a dependent requires [Dependent Eligibility Verification](#). Required documentation must be received within 31 days of the enrollment.

A dependent only needs to be verified once unless additional documentation is requested by Employee Services.

Dual coverage: When two members of a household are employed with the university and/or university affiliates, you and your dependents cannot be covered as both an employee and a dependent for any CU medical, dental or vision plan.

Dual coverage is allowed for the Optional Life Insurance and the Voluntary Accidental Death & Dismemberment (AD&D).

- An employee may be insured in the Optional Life as both a member and a dependent up to the maximum combined life insurance policy of \$1 million. A child may be insured by more than one member.
- For the AD&D an employee may be insured as a member and a dependent, doubling the policy's maximum of \$250,000 per member to \$500,000. A child may be insured by more than one member.

***Imputed income:** The IRS uses the term [imputed income](#) to describe the value of any benefit or service that is considered income when calculating your federal taxes. Know your taxation. Some benefits and some dependent groups may be subject to taxation.

Enrollment

Plan year: The benefit plan year runs from July 1 through June 30. As a new hire or newly eligible employee, your elections will run from your effective date until June 30.

Open Enrollment: Open Enrollment occurs in the spring of each year with an effective date of July 1.

You will [enroll](#) in your benefits in the secure environment of your employee portal, my.cu.edu.

Effective date: Your official hire date determines when your coverage will begin. If your hire date is the first of the month, your coverage will begin immediately. Otherwise, it will be the first of the following month.

*For example: If your hire date is May 1, your benefits will be effective May 1.
If your hire date is May 2 (or later), your benefits will be effective June 1.*

Deadlines and defaults: You have 31 days from your official hire date to enroll or waive coverage. If you fail to enroll or waive your coverage within the deadline, you (employee only) will be enrolled automatically in the following default plans:

Medical default: CU Health Plan – High Deductible at \$0/month

Dental default: CU Health Plan – Essential Dental at \$0/month

Once you enroll, or are defaulted, your elections will remain for the plan year. You may not make any changes to your elections until next Open Enrollment, unless you experience a [Qualifying Life Change](#)

Payroll deductions: Insurance premiums are deducted from the same month that they occur.

For example: The deductions from your paycheck in July will cover your July premiums.

As a new hire, your first deduction depends on the time of month you enroll. Enrollments received after payroll begins to process (around the 17th of the month) may not be reflected in that month's paycheck, resulting in a double deduction the following month.

International Employees

All new international CU employees are required to meet with an international tax specialist to identify their tax status, complete proper tax forms, facilitate any available tax treaty benefits and clarify any tax filing responsibilities. For more information, visit the [International Tax website](#), complete the [International Tax New Hire Orientation](#), download the [International Tax New Hire guide](#) and [book your appointment](#).

CU is dedicated to providing quality, affordable healthcare to its employees and their dependents. CU contributes 80-100% to employee monthly premiums. As a university employee, you have access to quality, personalized medical care with CU's four medical plans. This section provides an overview of the most common considerations for choosing a plan and highlights the medical plan options for you and your dependents.

Common plan features: All four CU medical plans have built in plan features. Regardless of your plan, you will enjoy these benefits:

- Yearly, no-cost preventative care for each plan participant
- No-cost flu shot clinics on each campus
- Emergency / urgent care worldwide
- Affordable prescription drug prices

Wellness programs: If enrolled in a CU medical plan, you will have access to [wellness programs](#).

- Gym discounts
- Weight loss programs
- Nutritional and meal planning apps
- Be Colorado Move
- Breathe with Quitline
- ...and more

Choosing a medical plan

When choosing a medical plan, there are three common considerations:

- **Network:** The plan network determines where you will go to access care when you need it. You will want to understand the differences between the four plan networks before making your decision.
- **Cost of care:** When you need care, what will it cost? How much will it cost to use the plan?
- **Cost of plan:** How much does it cost to have the plan? CU covers a large portion of your monthly premiums; however, you will also contribute to the plan's cost. Understanding [plan premiums \(PDF\)](#) will help you determine the cost of having the plan.

Option 1: CU Health Plan – Exclusive

Network: Under this plan, you will choose a PCP (primary care physician) within the HMO (Health Maintenance Organization) Network. Your PCP will direct your health care and referrals are required for most specialists. Exclusive has a limited network plan with quality care throughout Colorado. There is no out-of-network coverage, except for urgent and/or all emergency care. This is an [Anthem](#) administered plan. [Find a doctor.](#)

Savings advantage: This HMO utilizes the directed care of skilled PCPs in combination with comprehensive health care services which keeps costs lower through predictable copays, deductibles and monthly premiums.

Cost to use the plan

CU Health Plan Exclusive– Anthem Plan (HMO) Cost Information:

Plan Feature	What Participant Will Pay
Preventative care	No-cost preventative Preventative Care Guidelines
Deductible (per plan year)	\$250 per individual (each member must meet their \$250) \$750 family maximum (3+ members)
Out-of-pocket limit (per plan year)	\$8,700 individual; \$17,400 family
Office visit	Primary care physician - \$30 per visit Specialist - \$40 per visit Urgent care - \$30 per visit Office visit copays do not apply toward the deductible
Emergency care	\$250 copay (waived if admitted)
Prescription drugs	Tier 1 - \$15 Tier 2 - \$35 Tier 3 - \$50 Tier 4 - \$75 (specialty)
Mail order RX 90-day supply	Must be used for maintenance and specialty medications. Plan will allow three fills at retail pharmacy. After three fills, mail order is required, with a cost savings.
Out-of-state dependent children	If you have dependent children living out-of-state and covered by the Exclusive plan, you may enroll them in CU Health Plan - Exclusive Guest Membership (PDF)
Eye exam	Exclusive covers a routine eye exam with a \$20 copay in-network along with discounts for hardware and other services.

Option 2: CU Health Plan – High Deductible/HSA Compatible (default plan)

Network: This PPO (Preferred Provider Organization) plan offers you the widest access to care with Anthem's Nationwide Provider Network as well as out-of-network coverage for covered services. You will pay less if you use an in-network provider. A primary care physician is not required, and members can refer themselves to doctors of their choice including specialists.

With the High Deductible plan, your preventative care is at no cost to you. You will pay for additional care and prescriptions until you satisfy the deductible and then be responsible for paying the coinsurance until you reach your out-of-pocket maximum. Once this amount is reached, all covered services and prescriptions will be covered at 100%. This is an [Anthem](#) administered plan. [Find a doctor.](#)

Savings advantage: With low monthly premiums, the High Deductible plan gives you opportunity to put money aside each month in the tax advantaged [Health Savings Account \(HSA\)](#). You can use your HSA to pay your deductibles both now and in the future.

Cost to use the plan

CU Health Plan High Deductible/HSA Compatible – Anthem Plan (PPO) Cost Information:

Plan Feature	In-Network Providers	Out-of-Network Providers

CU Health Plans - Dental

CU's two Delta Dental plans offer extensive coverage with no-cost preventative care, affordable deductibles and coinsurance payments to keep you and your family smiling bright.

Delta Dental
1-800-610-0201
[Delta CU Microsite](#)

Regardless of which plan you choose; you will have the following no-cost preventative care:

- Four yearly cleanings
- Two yearly oral exams/x-rays
- Two fluoride treatments (for all ages)
- Delta Dental's *Right Start for Kids* program, for children age 0-12, covers children's basic services 100%. Not subject to deductible or coinsurance maximum and frequency limitations apply.

Option 1: CU Health Plan – Essential Dental (default plan)

This Delta Dental plan grants access to providers only within the Delta nationwide Preferred Provider Option (PPO) Network. You are required to use a Delta PPO Provider, or there is no coverage. Once you meet the \$25 per person plan deductible, you will be responsible for a percentage of your covered care costs, known as coinsurance. This plan offers additional orthodontic coverage for children, age 19 and under.

Flexible Spending Accounts (FSA)

The Flexible Spending Account (FSA) allows you to set aside pretax money for certain qualifying expenses. These accounts are regulated by the IRS, which determines contribution limits, qualifying expenses and has designated these plans as use-it-or-lose-it accounts. The money you set aside in the account is meant to be spent and claimed by the established deadlines, or you will lose the money.

CU has two FSA accounts: The Health Care FSA (HCFSA) allows you to set aside funds to cover health care expenses that your medical, dental and vision insurance does not pay, such as deductibles, copays, prescriptions and out-of-pocket expenses. The Dependent Care FSA (DCFSA) will cover day care expenses for tax dependents under age 13 or adult care.

CU's FSA accounts are administered by [ASIFlex](#). If you want to participate in an FSA, you must make an election as a new hire, at each Open Enrollment, or if you experience certain [Qualifying Life Changes](#).

Health Savings Account (HSA)

The Health Savings Account (HSA) must be paired with the CU Health Plan – High Deductible medical plan and can be used for qualified health care expenses now or in the future. The HSA is a savings account that you own. You will keep and manage this account even if you leave the university, change health plans or retire. CU's HSA is administered by [Optum Bank](#).

There is a triple tax benefit with the HSA. Contributions are pretax, any growth is tax-free, and when used on qualifying health care expenses, it is also tax-free. As long as you are enrolled in the CU Health Plan – High Deductible medical plan, you can enroll in and increase or decrease your HSA contributions at any time.

The HSA Fact Sheet contains all the necessary information to enroll in and use your HSA.

Premium-Only Plan

The Premium-Only Plan (POP), a part of the IRS Code Section 125, allows you to elect to pay your medical, dental and vision insurance premiums before or after taxes are deducted. If you choose the before-tax option, your premiums will be deducted from your pay before taxes are calculated, reducing your taxable income, and saving you money by withholding fewer dollars for federal, state and Social Security taxes. If you choose the after-tax option, your premiums will be deducted after your pay has been taxed.

- You will be given the opportunity to choose between pre-tax or after-tax when you enroll in your CU Health plans in your employee portal. If you do not make an election, your premiums will be deducted after-tax.
- Once you make this election, your enrollment will continue for the plan year. A new election can be made only during Open Enrollment.
- If you have dependents enrolled in university benefits who do not qualify as federal tax dependents for health coverage purpose, their premiums are not eligible for the POP, and you may incur [imputed income](#).
- If you are paying into the PERA retirement plan, and you are within 3-5 years of retirement, keep in mind that your PERA Defined Benefit Pension plan is calculated by your age, years of service and highest average salary. Anytime you make a before-tax deduction, you are lowering your taxable income, which will lower your highest average salary.

Employee Services does not provide tax advice to employees. Please contact your personal tax advisor, the IRS, SSA, State of Colorado or local government directly for professional tax advice.

Life Insurance

CU life insurance policies can provide financial protection for your loved ones in the event of your death and can be important to their future security. The university provides, at no cost to you, a generous Basic Term Life Insurance policy of \$50,000.

If you determine that you would like to have additional coverage, the university also offers the ability to purchase two other policies for you and your dependents: Optional Term Life and Voluntary Accidental Death & Dismemberment plans.

[Group AD&D Certificate \(PDF\)](#)

What the plan covers: In the event of the covered member's death, should it be ruled an accidental death under the terms of the group policy, the AD&D Insurance pays a benefit in the amount of the policy. In the case of a loss other than death, such as the loss of a hand, sight, speech, hearing or other loss, the amount payable is a percentage of the AD&D Insurance policy and is determined according to the terms of the group policy table ([Group AD&D Certificate \(PDF\)](#)).

Beneficiaries: Employee must name their beneficiaries at the time of enrollment. A beneficiary is a person(s) or organization named to receive the benefit in the event of the employee's death. The employee can change their beneficiaries anytime in the [employee portal](#). For spouse/partner and/or child's policy, the employee is the beneficiary.

New hire/new eligible enrollment in Voluntary AD&D: New hire/newly eligible employees are eligible to enroll in Voluntary AD&D at the time of their new hire/new eligible benefits enrollment in the [employee portal](#).

Policy Type	Enrollment Amounts
Employee policy	The employee can enroll in increments of \$10,000, up to 10 times their annual salary with a maximum of \$250,000. Medical history not applicable. Beneficiary: Employee names beneficiary
Spouse/partner policy	The employee can enroll a spouse or partner, provided the employee enrolls, in increments of \$10,000, up to the employee's policy amount. Medical history not applicable. Beneficiary: Employee
Child policy	The employee can elect a flat amount of \$5,000 for a dependent child or children, provided the employee enrolls. Medical history not applicable. Beneficiary: Employee

Current employee changes to Voluntary AD&D: Current employees can enroll and/or increase their Voluntary AD&D Life Insurance amount **only** during Open Enrollment and certain [Qualifying Life Changes](#). No Medical History Statement required. The employee can decrease or revoke coverage at any time during the plan year by completing and sending in a [Benefits Enrollment/Change Form \(PDF\)](#).

[Plan Premiums \(PDF\)](#)

Short Term Disability

Enrollment in Short Term Disability is automatic. Premiums are paid by CU and income benefit is taxable should you file a claim.

This insurance will pay 60% of your pre-disability earnings after the benefit waiting period until you either return to work or until the end of the 150-day maximum benefit period.

[CU Classified Staff Short Term Disability Insurance Certificate \(PDF\)](#)

Long Term Disability

Long Term Disability is optional, and you will pay the premiums. The income benefit is not taxable, should you file a claim. This coverage is subject to approval by The Standard Insurance Company. You can apply at any time during the year by completing the [Medical History Form \(PDF\)](#). If approved, the benefit will be effective the first of the month following approval by The Standard Insurance Company.

If you are unable to return to work after 180 days, Long Term Disability will begin to provide 60% of your pre-disability earnings until the end of the maximum benefit period.

Retirement Plans

CU helps Classified Staff members save for retirement by generously contributing to a mandatory retirement plan. CU also provides eligible employees with the opportunity to bolster their retirement savings with voluntary plan options.

When you are hired by the university, you are placed into a mandatory plan based on your job classification/eligibility and your PERA (Public Employee Retirement Association) history. Please follow the guidelines below to determine your plan eligibility.

[PERA Mandatory Plans](#)

[Voluntary Retirement Plan Guide \(PDF\)](#)

Mandatory retirement plans

All Classified Staff must participate in one of the two PERA Mandatory Plans, the Defined Benefit Plan or Defined Contribution Plan.

- If you do not have a PERA Defined (DB) Plan or PERA Defined Contribution (DC) Plan, or if you have one but have not contributed to it in more than 12 months, you will receive the CU PERA Classified Options letter for [PERAChoice \(PDF\)](#).
 - You will have 60 days to make your election of the PERA DB Plan or the PERA DC Plan
 - If you do not make your election within 60 days, you will default into the PERA DB Plan.
- If you have a PERA DB Plan and have made a contribution in the past 12 months, you will be placed in your PERA DB Plan.
- If you have a PERA DC Plan and have made a contribution in the past 12 months, you will be placed in your PERA DC Plan.

*CU PERA Classified Options is referred to as [PERAChoice \(PDF\)](#) by PERA. For information regarding the difference between the PERA DB and PERA DC Plan, please visit www.copera.org.

On the amount of salary that can be considered for contributions: For 2023 is \$330,000 2. On the amount of contributions by employer and employee combined: For 2023 is \$66,000

Voluntary retirement plans

If you would like to do more to prepare for retirement, CU offers employees three voluntary savings plans.

[Voluntary Retirement Plans Full Guide \(PDF\)](#)

Retirement plans	Eligibility job code	Plan administrator
University of Colorado 403(b) – Voluntary Plan Pretax and ROTH options	All employees	TIAA
PERA 401(k) – Voluntary Plan	All employees	PERA/Empower
PERA 457 – Voluntary Plan	All employees	PERA/Empower

You do not need to be a PERA member to have a PERA 401(k) or 457 account, and likewise, PERA participants can have 403(b) account.

How the plans work

- The defined contribution plans allow you to create an individual account to set aside money on a pretax basis, and the University of Colorado 403(b) also has a ROTH after-tax contribution option.
- Your benefits are based on the contributions credited to these accounts, plus or minus investment gains or losses. Investment risk and investment rewards are assumed by each individual, not by PERA or CU.
- These are 100% employee contributions, meaning there is no match from CU.

How much can you contribute?

All three plans have no minimum contribution. You can decide how much of your pay to contribute. Your contributions will be pretax and lower your taxable income.

The 2023 IRS contribution limits for voluntary retirement plans are as follows:

- The CU 403(b) and the PERA 401(k)* have a combined limit of \$22,500. If you are age 50+, the IRS allows you a catch-up contribution of \$7,500, for a total of \$30,000.
- The PERA 457 has a separate limit of \$22,500. If you are age 50+, the IRS allows you a catch-up contribution of \$7,500, for a total limit of \$30,000.

By using the correct combination of voluntary plans, the 2023 IRS limits allow you to contribute a combined total of \$45,000 if you are under age 50, or \$60,000, if you are age 50 or older.

*The aggregated 415c contribution limit is \$66,000. This means the PERA 401(k) aggregates with the CU 401(a) Mandatory Retirement Plan. If you are contributing to the PERA 401(k), the contribution limits will aggregate with your CU 401(a), excluding the PERA 401(k) catch-up of \$7,500. Individuals nearing their CU 401(a) limit can maximize their contributions by using the CU 403(b), which does not aggregate with the CU 401(a).
