#### Description:

Design Development final review of a comprehensive interior renovation; systems replacement and upgrade, addition of cooling; window/door replacement, exterior repairs, create new accessible entries, upgrade building envelope; site improvements and landscaping renovation of Farrand Hall.

The Design Development submittal was conditionally approved on November 19, 2025. The DRB reviewed the proposed solution to the remaining design elements under discussion: the west entryway, loggia railings, and window design. The DRB supported the design team's proposals with no comments or suggested revisions.

**DRB Action**

Tom Hootman moved the approval of the Design Development submittal for the Farrand Hall Renovation. Jody Beck seconded the motion, which passed unanimously.

There being no further business, the public meeting of the Design Review Board adjourned at 2:45 p.m.
