## Cary Weatherford

Cary Weatherford is the Director of the [Office of Institutional Planning](#) (OIP) for the University of Colorado Denver. OIP is charged with long range campus and capital planning, and the management of large capital projects through the visioning, programming and early design phases. Cary has been in higher education planning for over 20 years. In that time, he has had the opportunity to be a part of the compilation of six campus master plans, including being the project lead for the [CU Denver 2017 Facilities Master Plan](#). He has also been the planning lead on several recent large capital projects on the Denver Campus totaling over \$150M, including the Student Commons Building, the North Classroom Renovation and the CU Denver [Lola & Rob Salazar Student Wellness Center](#).
