

Joint LGBTQ+ and EMAC Committee Meeting
June 10th, 2016
2:00 pm – 3:30 pm
Denver conference room, 1800 Grant St, Denver

Meeting Minutes

Attending: Darren Chavez, Kenton Owsley, Troyann Gentile, Lindsay O'Connell, Ed Cannon, Jan Gascoigne, Debbie Carter, Rita Lee, Grace Wagner, Jesse Perez, and Tina Moser

On the Phone: Scarlet Bowen

Introductions

Chair Troyann Gentile introduced and welcomed both committees. New LGBTQ+ Committee member Jesse Perez was introduced and welcomed.

Denver Pride Fest

The last details of Pride Fest were discussed. There are plenty of volunteers to man the booth which will be set up at 10:30am-7pm on Saturday and 9:30am-7pm on Sunday. Troyann has received commitments from the school mascots (except for UCD's Milo who will still be there but with another group). The hashtag, #CUatPrideFest, will be used for social networking.

PRISM

Darren is working with the Budget office to retrieve the \$500 gifted to PRISM.

Joint Symposium

Chair Troyann Gentile gave a brief explanation of the LGBTQ+'s goals for the 2016 symposium and invited the EMAC committee to do a joint symposium. It was also brought to the committee's attention that there will be another symposium shortly after the scheduled date by the Boulder Campus Faculty Assembly Diversity Committee. The possibility of including them in the symposium was discussed and Scarlet Bowen will reach out to them for more information and to see if they are interested in working with the LGBTQ+ and EMAC Committees on a joint symposium.

There followed a brainstorming session for symposium ideas. Possibly keynote speakers were discussed, as well as possible workshops and symposium tracks. Scarlet Bowen will look into the spaces available on the

Boulder Campus. Darren Chavez will help administer the proposals for workshops or sessions and will compile the information in content management.

Adjournment

There being no other business, the meeting was adjourned at 3:35 pm. The next meeting will be on July 15th, 2016 from 2-4pm in the Denver Conference Room.
