FACULTY

An aerial photograph of a large hospital campus during sunset. The sky is filled with dramatic, dark clouds illuminated from below by the setting sun, creating a golden glow. The hospital buildings are multi-story, brick structures with numerous windows, some of which are lit up. There are several large parking lots with cars parked. In the background, a range of mountains is visible under the twilight sky. The overall scene is a mix of urban architecture and natural landscape.

Hospital Rankings

World-Class Hospitals on Campus

Children's Hospital Colorado

- 748,000 outpatient/ER visits
- 15,000+ inpatient admissions
- 5,670 health care workers
