How would the campus balance the budget if additional revenue shortfalls in FY 2020-21?

Depending on the depth of revenue shortfalls, the campus would include or extend the following as budget balancing measures:

- Reductions to operating costs (travel, events, building maintenance, utilities, hardware and software)
- Additional personnel actions such as periodic and extended furloughs, eliminating positions, further hiring delays, layoffs
- Strategic use of reserves and other contingency funds, including those that have been set aside for deferred maintenance
- Consolidation, reorganization and discontinuance of programs

Appendix
• **Current Funds Budget** — The current funds budget includes those economic resources of the institution which are expendable for any purpose in performing the primary objectives of the institution. Current funds are categorized by three funds: Education & General, Auxiliary and Restricted.

• **Auxiliary** — Auxiliary enterprises are self-contained business units that charge a fee and exist to provide a service to students, faculty, or staff. Examples of Auxiliary & Self-funded Activities: Intercollegiate Athletics, Bookstores, Housing Operations, Parking etc. These funds are not appropriated by the State.

• **Unrestricted vs. Restricted Funds** — Unrestricted current funds include all funds that leadership may use for the primary mission of the institution (tuition, state support). Restricted funds consist of those funds restricted by donors or other outside agencies for a specific purpose (research grants, endowments).
General Budget Terminology

**NACUBO functional categories** — The National Association of College and University Business Officers (NACUBO) establishes definitions for the functional expenditure categories, which group and aggregate expenses by institutional purpose.

- **Instruction**— Includes all activities that are part of an institution’s instructional program. Included are credit and noncredit courses. Includes departmental research and sponsored instruction.

- **Research**— Includes all activities specifically organized and separately budgeted to produce research.

- **Public Service**— Includes identified activities that are established primarily to provide non instructional services beneficial to individuals and groups external to the institution (i.e. community service).

- **Academic Support**— Includes support services for the institution’s primary missions: instruction, research, and public service. Examples include: Libraries, Ancillary Support.
General Budget Terminology

- **Student Services**— Those activities whose primary purpose is to contribute to the student’s emotional and physical well-being outside the context of the formal instructional program. Examples: *Tutoring, Counseling and Career Guidance, Student Health Services.*

- **Institutional Support**— Includes central executive-level activities concerned with management and long-range planning of the entire institution, such as the governing board, planning and programming, and legal services; fiscal operations, administrative data processing, employee personnel and records.

- **Operation & Maintenance of Plant**— Includes the operation and maintenance of physical plants for all institutional activities, including auxiliary enterprises and independent operations.

- **Scholarships & Fellowships**— Includes grants-in-aid, trainee stipends, tuition and fee waivers, prizes to undergraduate students and trainee stipends for grads.
