Footnotes:

- a: Resident undergraduate tuition rates represent the student share of tuition after the College Opportunity Fund stipend is applied for eligible authorizing students.
- b: Fees presented do not include instructional program or course fees.
- c: Room and board for CU-Boulder and UCBS undergraduates is the actual rate for a double on campus. For all others, room and board is the CCHE approved annual allowance.
- d: "Other" is a CCHE approved annual allowance for books and supplies, medical, transportation and personal expenses.
- e: For several programs at the Anschutz Medical Campus, students take more than 24 credit hours in an academic year; for consistency purposes cost of attendance is calculated on 24 credit hours.
- f: Graduate Pharmacy tuition rate is capped at 9 credit hours a term or 18 credit hours per academic year.
- g: Incoming students only. Tuition for continuing students will remain flat from FY 2018 to FY 2019.
- h: Incoming students only. Tuition for continuing students will remain flat from FY 2018 to FY 2019. Average tuition increase for nonresident MD students is 0.4%.
- * This cost of attendance estimate is reflective of the allowable costs set by CCHE and may differ from actual campus estimates and/or actual out of pocket costs for the student.
- i: The Guarantee is a cohort-based, guaranteed tuition and mandatory fee model that provides undergraduate resident students and their families with an assurance that tuition and mandatory fees will not increase over the ensuing four academic-year period from their first enrollment as a degree-seeking student.

Footnotes:

- * This cost of attendance estimate is reflective of the allowable costs set by CCHE and may differ from actual campus estimates and/or actual out of pocket costs for the student.
- a: Resident undergraduate tuition rates represent the student share of tuition after the College Opportunity Fund stipend is applied for eligible authorizing students.
- b: Fees presented do not include instructional program or course fees.
- c: Room and board for CU-Boulder and UCCS undergraduates is the actual rate for a double on campus. For all others, room and board is the CCHE approved annual allowance.
- d: "Other" is a CCHE approved annual allowance for books and supplies, medical, transportation and personal expenses.
- e: For several programs at the Anschutz Medical Campus, part-time students may take more than 9 credit hours in an academic year; for consistency purposes cost of attendance is calculated on 9 credit hours.
- f: Graduate Pharmacy tuition rate is capped at 9 credit hours a term or 18 credit hours per academic year.
- g: Incoming students only. Tuition for continuing students will remain flat from FY 2018 to FY 2019.
- h: The Guarantee is a cohort-based, guaranteed tuition and mandatory fee model that provides undergraduate resident students and their families with an assurance that tuition and mandatory fees will not increase over the ensuing four academic-year period from their first enrollment as a degree-seeking student.

Footnotes:

* This cost of attendance estimate is reflective of the allowable costs set by CCHE and may differ from actual campus estimates and/or actual out of pocket costs for the student.

a: Fees presented do not include instructional program or course fees.

b: Room and board for CU-Boulder and UCBS undergraduates is the actual rate for a double on campus. For all others, room and board is the CCHE approved annual allowance.

c: "Other" is a CCHE approved annual allowance for books and supplies, medical, transportation and personal expenses.

d: For several programs at the Anschutz Medical Campus, students take more than 24 credit hours in an academic year; for consistency purposes cost of attendance is calculated on 24 credit hours.

e: Graduate Pharmacy tuition rate is capped at 9 credit hours a term or 18 credit hours per academic year.

f: Incoming students only. The Physician Assistant Studies program is transitioning to flat-rate tuition, and the FY 2017 tuition shown is for illustrative purposes only. Tuition for continuing students will be per credit hour with no increase from FY 20

g: Incoming students only. Tuition for continuing students will remain flat from FY 2018 to FY 2019.

Footnotes:

- * This cost of attendance estimate is reflective of the allowable costs set by CCHE and may differ from actual campus estimates and/or actual out of pocket costs for the student.
- a: Fees presented do not include instructional program or course fees.
- b: Room and board for CU-Boulder and UCCS undergraduates is the actual rate for a double on campus. For all others, room and board is the CCHE approved annual allowance.
- c: "Other" is a CCHE approved annual allowance for books and supplies, medical, transportation and personal expenses.
- d: For several programs at the Anschutz Medical Campus, part-time students may take more than 9 credit hours in an academic year; for consistency purposes cost of attendance is calculated on 9 credit hours.
- e: Graduate Pharmacy tuition rate is capped at 9 credit hours a term or 18 credit hours per academic year.
- f: Incoming students only. The Physician Assistant Studies program is transitioning to flat-rate tuition, and tuition for continuing students will be per credit hour with no increase from FY 2017 to FY 2018.
