

Employee Skillsoft Percipio Utilization-All Campuses Compilation

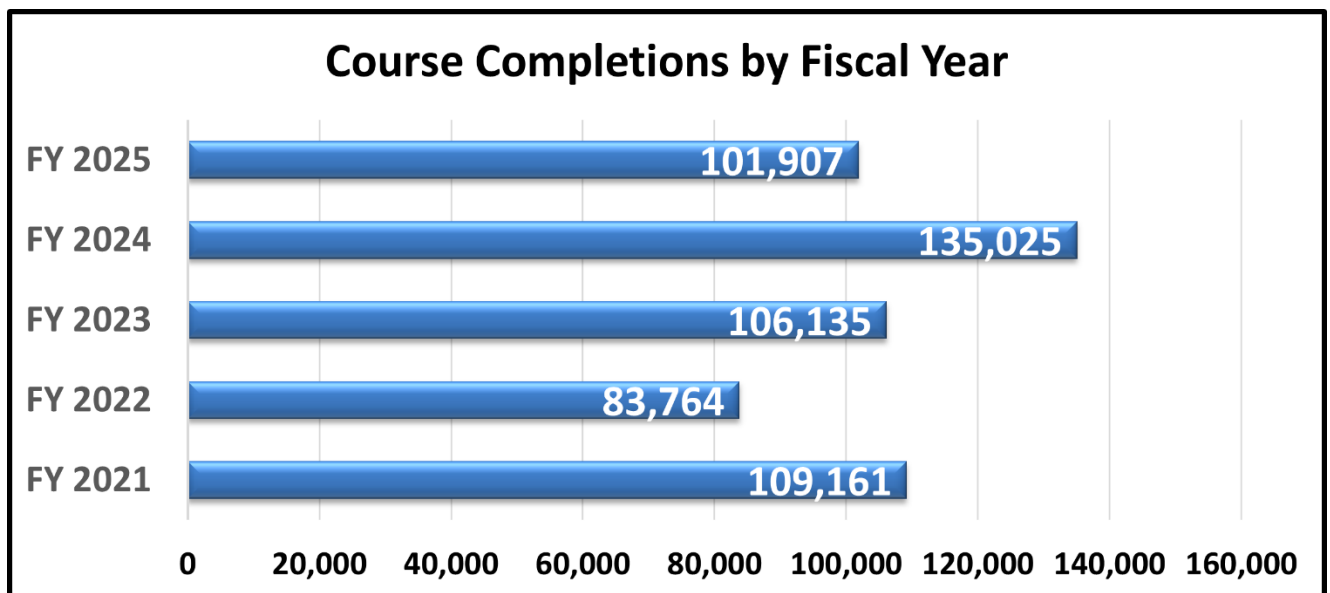

Fiscal Year Annual Report-2025

This fiscal year report summarizes employee course completions in Skillsoft Percipio between July 1, 2024, and June 30, 2025. Skillsoft Percipio is the online learning management system for CU faculty, staff, and student employee training. It is a purchased service that includes a library of online learning resources and over 274 CU custom courses.

University faculty and staff value the flexibility of online learning, and the wide variety of resources offered in Skillsoft Percipio. Managers rely on course completion data to meet various university, state, and federal compliance requirements. Employees rely on Skillsoft Percipio for easy access to required training and professional development resources.

Skillsoft Percipio also provides:

- Skillsoft Percipio Books24x7, an online library of unabridged books and audio books.
- Online courses and videos on topics such as IT skills, MS Office, business, leadership, and productivity.
- Self-enrollment for over 550 actively managed CU instructor-led training (ILT) courses.
- Access to professional certification coursework and continuing education units (CEU) for project management (PMI), accountancy (NASBA), human resources (HRCI and SHRM), information technology (CompTIA), and information-system security (ISC).

Note: This FY 2025 chart represents the combination of all CU Custom and Skillsoft Percipio general course completions.

The following pages include a breakdown of total completions by quarter on CU Custom courses for this FY 2025 Annual Report. It also includes the annual completion data totals for FY 2024, for comparison to FY 2025 course utilization. The pages also include the Annual course completion totals for FY 2025 by each Campus for reference to the right.
