Footnotes:

- a: Resident undergraduate tuition rates represent the student share of tuition after the College Opportunity Fund stipend is applied for eligible authorizing students.
 - b: Fees presented do not include instructional program or course fees.
 - c: Room and board for CU-Boulder and UCCS undergraduates is the actual rate for a double on campus. For all others, room and board is the CCHE approved annual allowance.
 - d: "Other" is a CCHE approved annual allowance for books and supplies, medical, transportation and personal expenses.
 - e: For several programs at the Anschutz Medical Campus, students take more than 24 credit hours in an academic year; for consistency purposes cost of attendance is calculated on 24 credit hours.
 - f: Pharmacy PhD tuition rate is capped at 9 credit hours a term or 18 credit hours per academic year.
 - g: Incoming students only. Tuition for continuing students will remain flat.
 - h: The Guarantee is a cohort-based, guaranteed tuition and mandatory fee model that provides undergraduate resident students and their families with an assurance that tuition and mandatory fees will not increase over the ensuing four academic-year period from their first enrollment as a degree-seeking student.
 - i: New degree programs and rates were Regent approved in June 2020
- * This cost of attendance estimate is reflective of the allowable costs set by CCHE and may differ from actual campus estimates and/or actual out of pocket costs for the student.

Footnotes:

- * This cost of attendance estimate is reflective of the allowable costs set by CCHE and may differ from actual campus estimates and/or actual out of pocket costs for the student.
- a: Resident undergraduate tuition rates represent the student share of tuition after the College Opportunity Fund stipend is applied for eligible authorizing students.
- b: Fees presented do not include instructional program or course fees.
- c: Room and board for CU-Boulder and UCCS undergraduates is the actual rate for a double on campus. For all others, room and board is the CCHE approved annual allowance.
- d: "Other" is a CCHE approved annual allowance for books and supplies, medical, transportation and personal expenses.
- e: For several programs at the Anschutz Medical Campus, part-time students may take more than 9 credit hours in an academic year; for consistency purposes cost of attendance is calculated on 9 credit hours.
- f: Pharmacy PhD tuition rate is capped at 9 credit hours a term or 18 credit hours per academic year.
- g: The Guarantee is a cohort-based, guaranteed tuition and mandatory fee model that provides undergraduate resident students and their families with an assurance that tuition and mandatory fees will not increase over the ensuing four academic-year period from their first enrollment as a degree-seeking student.
- h: New degree programs and rates were Regent approved in June 2020

Footnotes:

* This cost of attendance estimate is reflective of the allowable costs set by CCHE and may differ from actual campus estimates and/or actual out of pocket costs for the student.

a: Fees presented do not include instructional program or course fees.

c: "Other" is a CCHE approved annual allowance for books and supplies, medical, transportation and personal expenses.

d: For several programs at the Anschutz Medical Campus, students take more than 24 credit hours in an academic year; for consistency purposes cost of attendance is calculated on 24 credit hours.

e: Pharmacy PhD tuition rate is capped at 9 credit hours a term or 18 credit hours per academic year.

g: Students are automatically placed in a tuition guarantee group based on their first term enrolled at CU Boulder as a degree- or licensure-seeking nonresident on-campus student. The tuition guarantee group covers both new freshmen and transfers and is not affected by class standing at entry. "On-campus" excludes students on study abroad and students taking only continuing education courses (also called extended studies courses).

h: New degree programs and rates were Regent approved in June 2020
