Footnotes:

- * This cost of attendance estimate is reflective of the allowable costs set by CCHE and may differ from actual campus estimates and/or actual out of pocket costs for the student.
- a: Fees presented do not include instructional program or course fees.
- c: "Other" is a CCHE approved annual allowance for books and supplies, medical, transportation and personal expenses.
- d: For several programs at the Anschutz Medical Campus, students take more than 24 credit hours in an academic year; for consistency purposes cost of attendance is calculated on 24 credit hours.
- e: Pharmacy PhD tuition rate is capped at 9 credit hours a term or 18 credit hours per academic year.
- g: Students are automatically placed in a tuition guarantee group based on their first term enrolled at CU Boulder as a degree- or licensure-seeking nonresident on-campus student. The tuition guarantee group covers both new freshmen and transfers and is not affected by class standing at entry. "On-campus" excludes students on study abroad and students taking only continuing education courses (also called extended studies courses).
- h: New degree programs and rates were Regent approved in June 2020
