GME Retirement Option Automatic Contribution Arrangement (ACA)

As a GME Resident, you are subject to an automatic contribution arrangement (ACA) and eligible for an employer contribution. You will be automatically enrolled in the Plan under the *GME Retirement Option* at the default contribution rate of .5% of your eligible compensation as a pre-tax deferral. Once defaulted, as long as you continue to contribute .5% of your eligible compensation each pay period, you will receive a pre-tax Employer Contribution each pay period in the amount of 1% of your eligible compensation. Effective July 1, 2026, if you continue to contribute .5%, you will receive a pre-tax employer contribution of 2% of your eligible compensation.

You may make a contrary election and opt-out of participation in the plan or change your .5% contribution from a pre-tax election to a Roth (after-tax) election.

Acknowledgements

I understand and agree to the following:

- a) I will not be automatically enrolled in the Plan if I am eligible for the University of Colorado Optional Retirement Plan. Otherwise, I must affirmatively make a contrary election (opt-out) to not make any contributions. If I do not make this affirmative election, I will be automatically enrolled in the Plan and .5% of my eligible compensation will be withheld from my pay and contributed to the Plan as a pre-tax contribution.
- b) If I make a contrary election (opt-out) to not make any contributions, the contrary (opt-out) election will be effective for the duration of my tenure as a GME Resident unless I submit a new GME SRA, or I am terminated and rehired as a GME Resident. If I am hired into an eligible position in the University of Colorado Optional Retirement Plan, I will no longer be eligible for the GME Retirement Option which includes the employer matching contribution.
- c) This Agreement is legally binding and irrevocable with respect to amounts earned while the Agreement is in effect. However, either party may terminate or modify this Agreement by submitting a new GME SRA by the 10th of the month in which the change is to be effective. The Agreement will not apply to compensation earned after the Agreement is terminated.
- d) The amount of the salary reduction shall be per pay period, which will produce a total contribution that does not exceed the limitations of IRC Section 415 or the limitations of IRC Section 402(g), whichever is lesser.
- e) If I contributed to a 401(k) or a 403(b) plan during the current calendar year with a previous employer, it is my responsibility to ensure that the elective deferral limit or other limits are coordinated. Failure to do so may result in adverse tax consequences for me.
- f) If I earned more than \$150,000 in wages from CU last year and I am not a PERA participant, I am required to make any catch-up contributions (for those aged 50 and older) to a Roth account using after-tax dollars. I understand that the plan will automatically deem catch-up contributions as designated Roth contributions. To avoid any issues with your contributions, please ensure your elections are updated accordingly.
- g) Compensation defined in the Plan and used in determining percentage salary reductions is generally eligible employee gross earnings, minus payments made to a Participant under the University's Family and Medical Leave Insurance program.
- h) Percentage Reduction Agreements will automatically result in a salary reduction change or modification if the eligible wage payment changes. Dollar Amount Reduction Agreements will not change during the plan year (except if the wage payment amount drops below the salary reduction amount).
- i) I understand that the University does not warrant the success or appropriateness of any investment choice nor the tax consequences and/or tax-deferred status of the fund(s).
- j) I have read, considered and am aware of the expenses, fees, and restrictions imposed on this type of fund(s) and the consequences of continued participation and/or withdrawal.
- k) This agreement revokes any previously signed agreement and remains in effect, unless otherwise terminated or modified by submitting a new GME SRA.
- l) I understand if ES does not timely receive the required forms and documents, my request may be returned/delayed. No retroactive adjustments will be made.

Authorization and Signature

I agree that for amounts paid after the date this Agreement is effective, my salary will be reduced by the Percentage or Dollar Amount I elected. I have reviewed, understand and agree to the provisions listed under the Acknowledgment section and the Fund Sponsor allocation section of this Agreement.

If I elect to not make any elective deferrals, I will not be automatically enrolled at the default employee contribution rate and I will not be eligible for the employer contribution.

My elections are in effect until a new GME SRA is submitted or I am terminated from employment.
