

 Global PEO Services | **Generate a Quote**

Global PEO Services (GPS) makes it possible to legally employ workers in countries outside the U.S. without a legal entity. GPS was awarded a system-wide contract as The University of Colorado's partner for international PEO services. The contract was competitively bid by CU Purchasing.

Fill out the information below to generate a specific quote for the services you require. Once the form is complete, please send to cupeo@globalpeoservices.com.
