ES Payroll - Tracking COVID-19 Wages Paid

Tracking COVID-19 Wages Paid

[Links to websites]

Employee Services recommends using these methods to track administrative leave related to COVID-19 stay-at-home orders.

- **HCM users:** Please refer to campus guidance prior to using these codes.
- **Employees:** If you need assistance coding administrative leave (not remote work time), ask your department HR or payroll liaison or campus HR for guidance.

### Campus instructions

- CU Boulder
- UCCS
- CU Denver and CU Anschutz

When should the new administrative leave codes be used?

These codes are to be used for employees who are unable to work due to COVID-19. Employees who are still able to work (either remotely or onsite) should enter their time worked as normal, and should not use these leave codes. For COVID-19 pay for students on Work Study, please consult your campus HR or Student Employment Office Guidelines.
Tracking COVID-19 Wages:

*Why separate COVID-19 Codes?*

- Employee Services was asked to create new codes to track pay related to COVID-19.
- Two earnings codes (CHP/ACP) have been tested and are ready to use for monthly employees 4/30 and bi-weekly PPED 4/4.
Refer to your campus instructions

Campus instructions:

- CU Boulder
- UCCS
- CU Denver and CU Anschutz
CHP -- Track BW Employees NOT working due to COVID -19

* Refer to your campus guidelines on approval and use

Biweekly Hourly

► CHP (Administrative COVID Hourly Pay) will pay employees (no ADM or ACP match needed)

► Available in CU Time, My Leave and other timekeeping systems for BW employees for PPED 4/4/20

► If an employee already submitted COVID-19 time with STH/REG with PPED 4/4 reach out to you Campus HR for instructions.
ACP -- Track Monthly Employees NOT working due to COVID-19

*Refer to your campus guidelines on approval and use*

**Monthly Salary**
- ACP (Non-paying code) Administrative COVID Pay is available in CU Time, My Leave and other time keeping systems
- Use for PPED 4/30/20

**Monthly Hourly**
- CHP is not recommended for monthly hourly because although it pays, it doesn’t accrue leave.
- EE submits time as regular earnings as usual.
- EE enters comments on REG hours as “COVID-19” or otherwise notifies HR according to campus instructions on how many hours should be matched with ACP.
- HR matches REG hours with ACP as needed
Work study -COVID-19

Currently, only STH splits Work Study. CHP does not.

Refer to your campus instructions for how to enter time to pay Work Study COVID-19.

UIS Notes: Avoid Zoom Bombing
https://www.cu.edu/coronavirus

How do I prevent Zoom bombing?

UIS adjusted CU System Administration’s default Zoom settings on April 2, based on best practices to mitigate risk and ensure meeting security. While Zoom encrypts meetings by default to provide authentication, privacy and data integrity, these changes are intended to prevent “Zoom-bombing” – where uninvited guests intrude on Zoom meetings, often by simply typing in random Meeting IDs.

System Administration settings changes

- Meeting ID set to generate automatically
- Only the host can share their screen or transfer screen sharing control to others
- Host can start sharing when someone else is sharing
- Disable file transfer
- Disable remote control
- Disable desktop/screen share for users
Reorganization of university staff and faculty leave policies becomes effective on April 2, 2020

- **11.E: Leave Policies for University Staff and Twelve-Month Faculty**
  - Moved administrative detail to administrative policy statements

- **APS 5062-Leave**
  - Creates an all-inclusive suite of leave policies provided to university staff and twelve-month faculty.

The performance cycle classified staff ends March 31.

Mark your calendar for the following deadlines:

- **April 1:** The performance cycle begins and classified staff must be evaluated before June 30.
- **May:** Meet with classified staff to discuss goals for the year.
- **June 1:** Submit a copy of the performance plan’s front page to your campus HR office.
- **July 1:** All evaluations must be turned into your campus human resources (HR) office.

SOW & Independent Contractor

https://www.cu.edu/node/81770

The University of Colorado Services uses the scope of work form to determine if someone can be classified as an independent contractor. This determination is based on the nature of the relationship between the service provider and the university.

💡 A Scope of Work form must be filled out and approved by Employee Services before ANY work takes place.

When do I have to submit a Scope of Work form?

Costs to include

Background checks

Hiring PERA retirees

Scope of Work form steps:

1. **Step 1:** CU Department contact completes the Scope of Work form and submits it. The form is then sent to the contractor.
2. **Step 2:** The contractor has 60 days to complete their section of the form. Please note: If the form is not submitted by the contractor within 60 days, the form will be canceled.
3. **Step 3:** Employee Services reviews the form. If the contractor is a foreign national in or outside the U.S., the form will be reviewed by an international tax specialist.
4. **Step 4:** Employee Services determines if the contractor should be paid as a contractor or as an employee.

Funding Best Practices

https://www.cu.edu/blog/hcm-community/review-fiscal-year-funding-best-practices-reminders-and-resources-prepare-fiscal

Ongoing monthly funding

Update funding and job data for monthly payroll by the 10th of each month to ensure accuracy, including this year’s April payroll funding.

Review important reminders to ensure successful payrolls:

- Projects in pre-spending and open status may be used for new funding entries, but projects in ended and reporting status are not available. Projects in reporting status during a pay period will go to suspense.

- Projects in pre-spending, open and ended statuses are available for Payroll Expense Transfers (PETs). Projects in reporting status are not allowed.

- Only projects require end dates. As the fiscal year rollover nears, consider removing end dates from non-sponsored funding before the fiscal year.

3. Email each form individually to: HCM_Community@cu.edu

Recouping money that was overpaid

If you overpay an employee, you must recoup the wages for the university, per CU policy and State Fiscal Rules.

1. Correct any errors within HCM that caused the problem.

2. Notify the employee of the overpayment and make appropriate adjustments to his/her record.

3. Complete and submit the Notice of Overpayment Adjustment Form. Send the original form to Employee Services, send a copy to the employee, and save a copy for your department’s records.

4. Employee Services will handle the overpayment management process, including working with the employee to create a repayment schedule via personal check or payroll deduction. Note: All payments must be made to Employee Services and NOT the employee’s department.

<td>CVS pharmacy only or can we still go to UC Health pharmacies as well? So if we have Anthem and use King Soopers pharmacy, can we still use them?</td>

<tr>

<td>ADM is Administrative Leave which does have uses beyond COVID-19. Refer to your campus guidance for use of leave codes specific to tracking COVID-19.</td>
</tr>
<tr>
<td>Which ones are to be used for University Staff Regular Hours affected by COVID-19?</td>
<td>Using the code ACP will be included in the leave accrual calculation. So if you pay a monthly employee with ACP they will still receive their full accrual, or partial accrual if less than 1 FTE, just as they would normally receive their accrual.</td>

If students are gone, we’re not paying them correct?</td>
<td>CHP and ACP were released by ES to track time not worked due to COVID-19. Each campus has established specific guidelines for using the codes, and your campus HR the best resource for guidance.</td>
</tr>
<tr>
<td>What about funding sources? Are we not to allow paid admin leave for employees funded by soft funds?</td>
<td>“Soft funds” or non-general funds each have their own parameters for determining the appropriate use for payroll. Grants and contracts may have specific sponsor guidelines.
