

HireRight: Step-by-Step Guide

Using HireRight for Form I-9 and E-Verify

This guide provides step-by-step procedures for using HireRight to complete the Employment Eligibility Verification Form I-9 and E-Verify check electronically.

Federal law requires employees to complete Section 1 of the Form I-9 by the first day of work for pay. Employees may complete Section 1 at any time between accepting a job offer and their first day of work for pay.

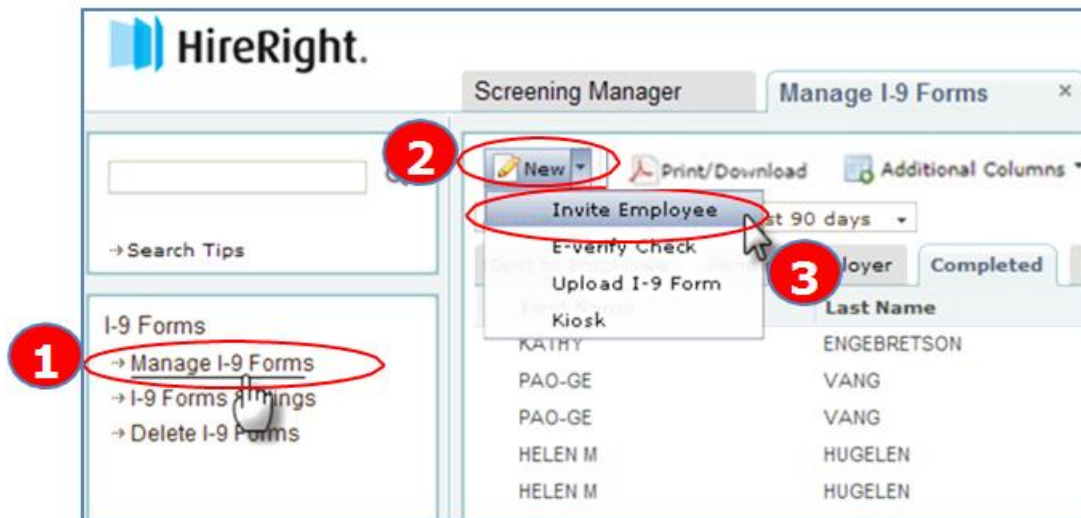

As someone authorized to verify an employee's eligibility, you must ensure that an employee fully completes Section 1 of the Form I-9 on time, review the employee's documents, and fully complete Section 2 of the Form I-9 within three business days of the first day of work for pay. For example, if an employee begins work on Monday, you **must** complete Section 2 by Thursday.

For more information about the Form I-9, acceptable documents, and your responsibilities for verifying an employee's eligibility to work, complete the online course, *CU: Form I-9*, available in the Human Resources folders in SkillSoft.

Inviting an Employee to Complete the Electronic Form I-9 Section 1

To begin the Form I-9 process, invite the employee using the Invite Employee option in HireRight. This sends the employee an e-mail invitation to fill out the electronic Form I-9:

1. Login to your HireRight account and click **Manage I-9 Forms**.

2. Click the **New** menu.
3. Click **Invite Employee**.

4. Enter the employee's **First Name**, **Last Name**, and **E-mail** address.

NOTE: While it is not required, it is a recommended best practice to insert the *Employee Start Date* at this time. This will initiate reminder emails to the employee or employer of deadlines and requirements, based on status.

5. Some accounts display text boxes for a Hiring Manager. This lets you designate a non-HireRight system user temporary access to complete Section 2 of this specific Form I-9. If you or another system user will be completing Section 2, leave these boxes blank.

Employees must present unexpired original documentation that shows their identity and employment authorization. Ensure that any document the employee presents is on the List of Acceptable Documents or is an acceptable receipt.

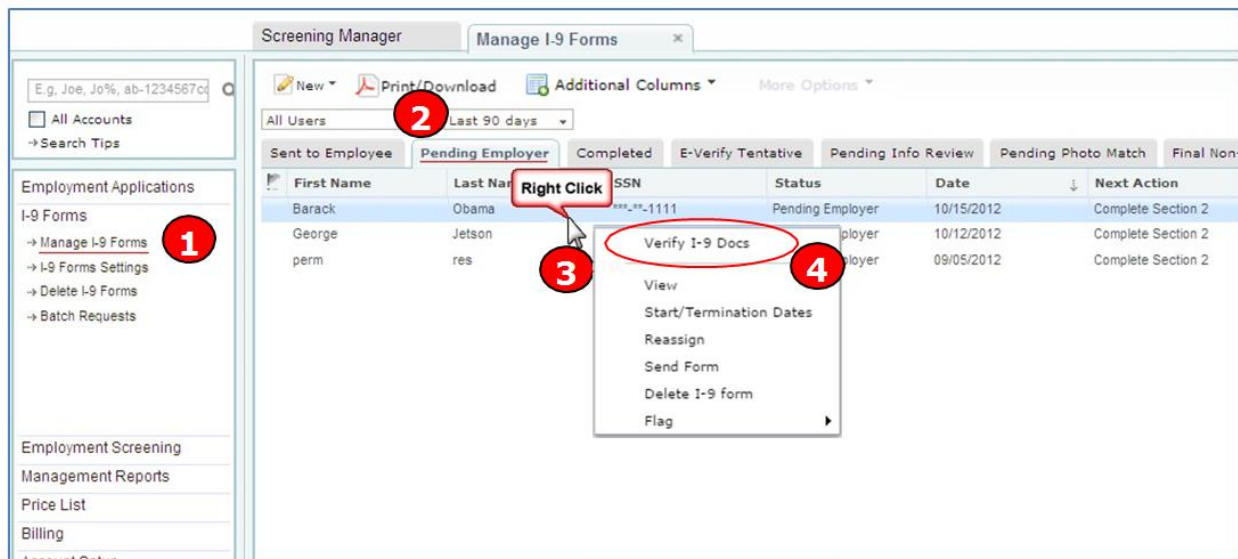

Physically examine each document to determine if it reasonably appears to be genuine and to relate to the employee presenting it. If you reject a document, allow the employee to present other documentation from the

List of Acceptable Documents. For more information about the Form I-9, refer to the online course, *CU: Form I-9*, available in SkillSoft.

Verifying Form I-9 Documents

Accepting Receipts for Lost, Stolen or Damaged Documents

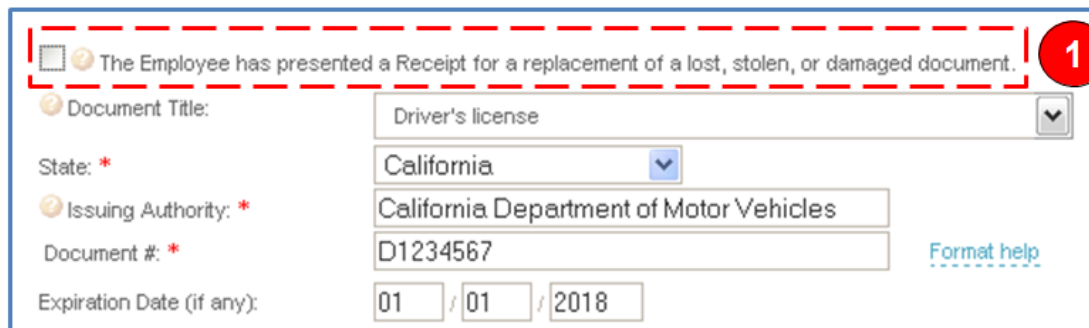

If an employee is unable to present required documents, the employee can present an acceptable receipt in lieu of a document from the Lists of Acceptable Documents.

This option only applies to a receipt that shows the employee has applied to replace a document that was lost, stolen, or damaged per USCIS guidelines. You can click the **Information on Receipts** link displayed on the left side of the page in Section 2 or Section 3 for additional guidelines provided in the [M-274 Handbook for Employers](#).

Receipts for a replacement of lost, stolen, or damaged documents can be presented by all employees. A receipt fulfills the verification requirements of the document for which the receipt was issued (can be List A, List B, or List C) and is valid 90 days from date of hire or, for re-verification, the date employment authorization expires. At the end of the receipt validity period, the employee must present the actual document for which the receipt was issued.

If an employee presents a receipt meeting the above requirements:

1. Select **The employee has presented a Receipt for the replacement of a lost, stolen, or damaged document** check box for the List A, List B, or List C document that was presented by the employee.

☐ The Employee has presented a Receipt for a replacement of a lost, stolen, or damaged document.

Expiration Date (if any): / /

Complete the rest of Section 2, electronically sign, and click **Submit**.

At this time, HireRight starts a timer. The employee now has 90 days to bring in a hardcopy of the original acceptable document.

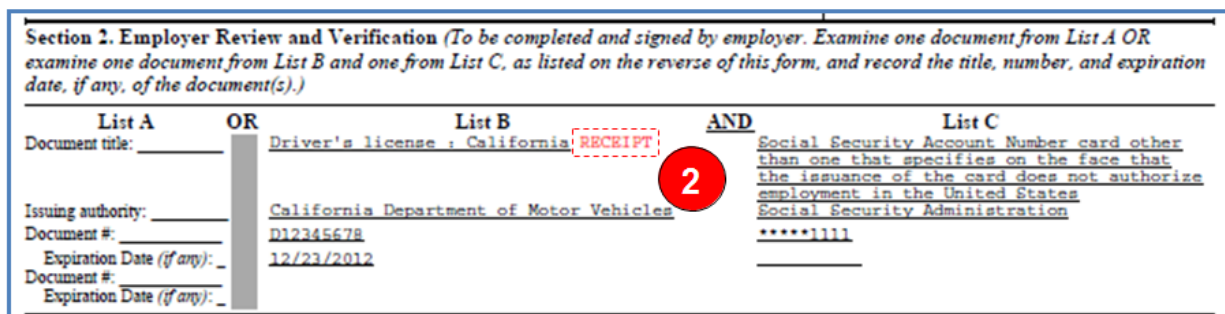

After 60 days, HireRight sends you an e-mail reminding you that the employee has 30 days remaining.

If your company participates in E-Verify, and if the employee presents a receipt showing that he or she applied to replace a document that was lost, stolen or damaged, a case cannot be created in E-Verify. You must wait until the employee presents the actual document for which the receipt was presented before you can create a case in E-Verify for the employee.

2. Notice that when you view the Electronic Form I-9 (by clicking the Print/Download button) you'll see the word **RECEIPT** in red, indicating that a receipt was accepted in lieu of an original. The expiration date that appears is the expiration date of the receipt (90 days after the employee's start date).

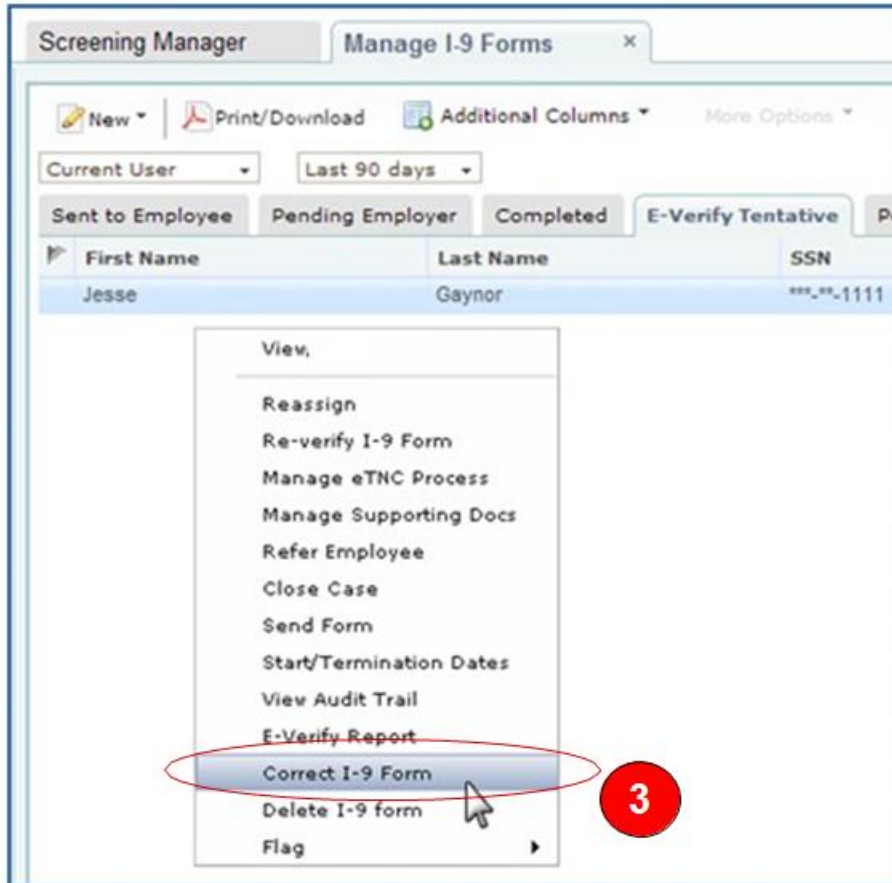

Section 2. Employer Review and Verification (To be completed and signed by employer. Examine one document from List A OR examine one document from List B and one from List C, as listed on the reverse of this form, and record the title, number, and expiration date, if any, of the document(s).)

Receiving E-Verify Results

This section provides information about the E-Verify process that occurs after the Form I-9 is submitted. Once you complete Section 2 of the Form I-9 and submit it with an electronic signature, this process is initiated automatically.

To complete the E-Verify process you will need to confirm the results that are returned. E-Verify will respond with one of two types of results:

- **Tentative** – requires additional steps for verifying an employee's authorization to work.
- **Final** – E-Verify has made a final determination status.

Possible Statuses

- **Final** – Final statuses indicate whether or not the employee is legally authorized to work in the United States. The employee will either continue to work or be terminated based upon a final status.
 - Employment Authorized
 - DHS/SSA Final Non-Confirmation
 - DHS/SSA Employment Non-Authorized
 - DHS/SSA No-Show

- **Temporary** – A temporary status does not mean that the employee is not authorized to work. Temporary statuses require additional action from the employer to address the status to the employee and the employee has to then follow up with DHS or SSA. The employee can continue to work while the temporary status is being resolved.
 - DHS/SSA Tentative Non-Confirmation
See [Handling a Tentative Non-Confirmation Status](#) for more information.
 - DHS/SSA Tentative Non-Confirmation – Photo Mismatch
See [Using the HireRight E-Verify Photo Matching Tool](#) for more instructions.
 - DHS/SSA Verification in Process
This status means that additional time is needed from E-Verify to provide a final status. No action is needed on your part at this time in the process.
 - DHS/SSA Case in Continuance
This status means that additional time is needed from E-Verify to provide a final status. No action is needed on your part at this time in the process.
 - DHS/SSA Institute Additional Verification
This status means that E-Verify has instituted additional verification procedures to verify the new hire's employment eligibility and that resolution of the status may take some extra time. No action is needed on your part at this time in the process.

Note: If the status is Temporary, refer to [Handling a Tentative Non-Confirmation Status](#) and contact your campus HR.

Using the HireRight E-Verify Photo Matching Tool

As mandated by the U.S. Department of Homeland Security, all users using the HireRight E-Verify solution are required to use the E-Verify Photo Matching Tool. The HireRight E-Verify Photo Matching Tool lets you verify that the photo displayed in E-Verify is identical to the photo on the document that the employee presented to you in Section 2 of the Form I-9. Once E-Verify is initiated, a window will appear that prompting you to compare the photo on the employee's documentation with a photo displayed in the HireRight E-Verify page. This helps ensure that the documents provided are valid.

The photo matching step automatically occurs when an employee presents any of the following documents as proof of employment eligibility

- U.S. Passport or Passport card Permanent Resident Card (Form I-551)
- Employment Authorization Document (Form I-766)

When the employee presents one of the above documents and the Form I-9 information entered by the employer matches DHS records, the employee's photo automatically displays on the HireRight E-Verify page after completing Section 2 of the Form I-9.

Note: If an employee presents a U.S. Passport (or Passport Card), Permanent Resident Card, or Employment Authorization Document, E-Verify requires that the employer **must make a copy of that document and keep it on file with the Form I-9**. If you prefer to not keep a paper copy, you may scan and upload

a PDF file to the HireRight system using the Manage Supporting Documents feature (provided this permission is activated for your account).

Using Photo Matching for Lawful Permanent Resident or Alien Authorized to Work

1. In the HireRight Form I-9 and E-Verify interface, the Photo Matching Tool may be activated for the Section 2 signer when an employee selects **Lawful Permanent Resident** or **Alien Authorized to Work** in the Citizenship Status area of the E-Verify process and provides an I-551 Permanent Resident Card or I-766 Employment Authorization document.

2. In either of these cases, if the employee provides an *I-551 Permanent Resident Card* or *I-766 Employment Authorization Document* to verify their authorization to work (from List A documents of the I-9 form), an E-Verify photo verification will be required.

Note: As of 12/3/2010, Alien number (#) will no longer be accepted as a document number (#) for I-551 & I-766, and you must make and retain a photocopy of the I-766 and I-551 if either of these documents are presented by the employee.

3. An E-Verify Photo Match is activated once you click **Submit I-9 Verification**.

The screenshot shows the 'Employer Review' form. It includes fields for Document Title (I-766 (Employment Authorization)), Document # (AJX3214567894), Document Expiration Date (01/01/2020), and Employee Start Date (12/23/2010). A red note states: 'Please note that you must make and retain a photocopy of the I-766 or I-551 if either of these documents are presented by the employee.' A red circle with the number '3' and a red arrow points to the 'Submit I-9 Verification' button.

4. Once the E-Verify check is initiated, a reply returns from E-Verify, usually within 15 seconds, that includes a photograph.

Compare the photo on the screen to the photo that was delivered to you in the document the employee presented. Do not compare to the person.

The screenshot shows the 'I-9 Employment Eligibility Form' with the 'E-Verify Photo Matching and Comparison' section. A red circle with the number '4' points to the text: 'E-Verify has returned a photograph of your new employee edede3 edede.' Below this is a photograph of a man with a large 'E-Verify Use Only' watermark. A red circle with the number '5' points to the question: 'Does the photograph above match the photograph on the document presented by the employee?' with 'Yes' and 'No' radio buttons. A red circle with the number '6' points to the 'Submit' button at the bottom.

5. Select **Yes** or **No** to the question:

“Does the photograph above match the photograph on the documented presented by the employee?”

Note: If **No Photo on this Document** appears, select **Yes**. If the photo does not match, see [Troubleshooting E-Verify](#).

- Once you have verified the photograph on the screen matches the photograph given to you, click **Submit**.

Important: Do not match the photo on the screen to the person; match it to the photo presented.

Expecting the E-Verify Response

Employee data is automatically sent to E-Verify:

- E-Verify will respond with a unique Case Number.
- The E-Verify report will display the Case Number and status.

Note: E-Verify usually provides a response within five minutes.

Troubleshooting E-Verify

This section provides information about how to handle certain situations that may arise using E-Verify.

What If the Photos Don't Match?

In the cases when the photo that is returned to you from E-Verify doesn't match the photo that was given to you by the employee, you must select **NO** when prompted "Does the photograph above match the photograph on the documented presented by the employee?"

The screenshot shows a web interface with the question "Does the photograph above match the photograph on the document presented by the employee?". Below the question are two radio buttons: "Yes" and "No". The "No" button is selected, indicated by a yellow sun icon. At the bottom right of the form is a "Submit" button.

In these cases, E-Verify usually returns a Tentative Non-Confirmation (TNC) for this employee. When you refer the employee through the TNC process, you will be prompted to send photocopies of the employment documents and physically mail them to E-Verify. Information regarding what to send, who to send it to, and by when, is automatically displayed for you when you refer the employee within the HireRight system.

Looking for Document Number vs. Alien Number

The Document Number (shown as Card # on the Employment Authorization Card) is displayed below the Alien Number. The Document Number should be three letters followed by ten 10 numerals, and the Alien Number is a nine-digit numeral typically found on the card as A#. As of 12/3/2010, Alien Number will no longer be accepted as a Document Number for I-551 & I-766.

Note: Images may vary from documents shown here based on document issue date.

Handling a Tentative Non-Confirmation Status

Before Moving Forward: Identify your campus process for handling Tentative Non-Confirmations.

Most of the time, E-Verify checks come back from the DHS and the Social Security Administration (SSA) with a status of Employment Authorized. On some occasions, a check will be returned with a status of Tentative Non-Confirmation (TNC), in which case the employee's information could not be verified against what was provided by the employee.

Receiving a Tentative Non-Confirmation Status

1. Login to your account and click **Manage I-9 Forms**.
2. Click the **E-Verify Tentative** tab.
3. Select the employee that has the status of Tentative Non-Confirmation and **right-click**.

4. Select E-Verify Report from the drop-down menu.

The screenshot shows the HireRight Screening Manager interface. The 'Manage I-9 Forms' tab is active. The table lists employees with columns for First Name, Last Name, SSN, E-Verify Status, and Date. The 'E-Verify Tentative' status is highlighted in the table's header. A dropdown menu is open for the 'E-Verify Tentative' status, showing options like 'View', 'Reassign', 'Re-verify I-9 Form', 'Manage Supporting Docs', 'Resolve Case', 'Send Form', 'E-Verify Report', 'View Audit Trail', 'Correct I-9 Form', 'Re-submit Case', 'Delete I-9 form', and 'Flag'. The 'E-Verify Report' option is circled in red.

From this page you can review:

- The applicant's report
- Details about the DHS/SSA status
- Instructions for resolving the status
- Copies of the letters that need to be reviewed with the employee.

The screenshot shows the 'Report - PATRICIA C 2 KRUGER' page. The page has a sidebar with navigation links and a main content area. The 'E-Verify Response from DHS' section is highlighted, showing the 'SSA Tentative Non-Confirmation Status Received - Employee Referral Required.' status. The 'E-Verify Report' option is circled in red.

5. Print the DHS or SSA letters.
6. Review the DHS/SSA Tentative Non-Confirmation letter with the employee to determine and document whether the employee wants to contest.
7. Both the employee and employer must sign and date the letter.
8. Keep the signed original on file and give the employee a copy.
9. If the employee **does not** contest, file the signed **TNC Letter** in the Employee's file and close the case.

Closing the Case

1. From Manage I-9 Forms, select the record and right-click to open the Actions menu.
2. Click **Close Case**.
3. Select the option indicating whether the employee still works for your company.
4. Click **Close Case**.

This formalizes the employee's choice not to contest, therefore terminating employment.

The first screenshot shows the 'Actions' menu for a record in the 'Manage I-9 Forms' section. The 'Close Case' option is highlighted with a red circle and a red number 2. The second screenshot shows the 'Employment Eligibility Verification' window. The 'Close Case' tab is selected. The 'Verification Status' is 'SSA TENTATIVE NONCONFIRMATION'. Under 'Please select from the options below.', the option 'Employee still works for the employer.' is selected with a radio button, highlighted with a red circle and a red number 3. Under 'Close Case Options', the option 'The employee continues to work for the employer after choosing not to contest a Tentative Nonconfirmation.' is selected with a radio button. At the bottom right, the 'Close Case' button is highlighted with a red circle and a red number 4.

5. If the employee does contest, give the employee the SSA/DHS Referral Letter. The letter includes instructions for resolution steps. You must then refer the employee from your HireRight account.

Referring an Employee

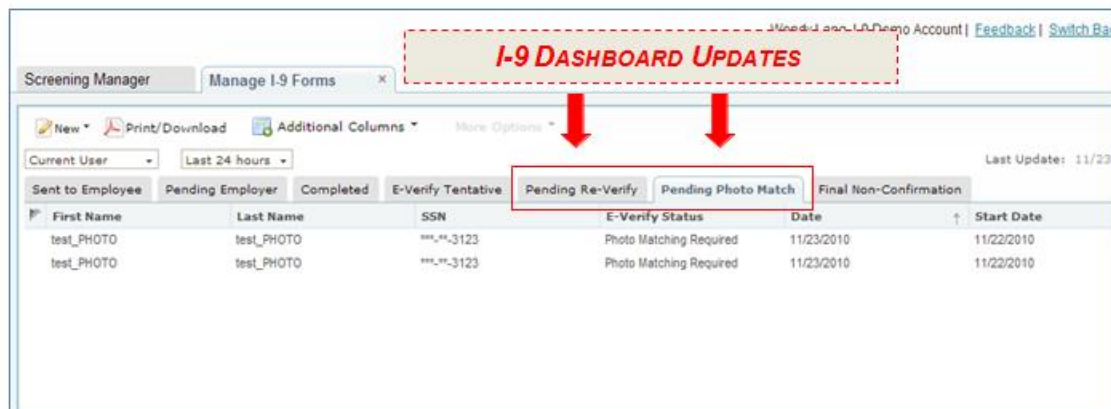

1. From Manage I-9 Forms, select the record and right-click to open the Actions menu.
2. Click **Refer Employee**.
3. Click the **Refer** button. The timeline for resolution is monitored automatically. The employee must take action within eight business days.

The first screenshot shows the 'Actions' menu for a record in the 'Manage I-9 Forms' section. The 'Refer Employee' option is highlighted with a red circle and a red number 2. The second screenshot shows the 'I-9 Employment Eligibility Form' window. The 'Confirm Employee Referral' tab is selected. The text states: 'By selecting Refer below, you are indicating that you have spoken to the employee about this Tentative Non-Confirmation status and the employee has been provided the Referral Letter. If you have not spoken to the employee, click Cancel. Selecting Refer below will start the 8 federal working days the employee is allowed to make initial contact with the SSA or DHS.' At the bottom, the 'Refer' button is highlighted with a red circle and a red number 3.

From this point, HireRight automatically checks the status of the record on an hourly basis. Once the DHS/SSA has updated the record, it will be reflected in your account in either the Completed (Authorized) tab or the Final Non-Confirmation tab.

Checking Your E-Verify Work Queue in HireRight

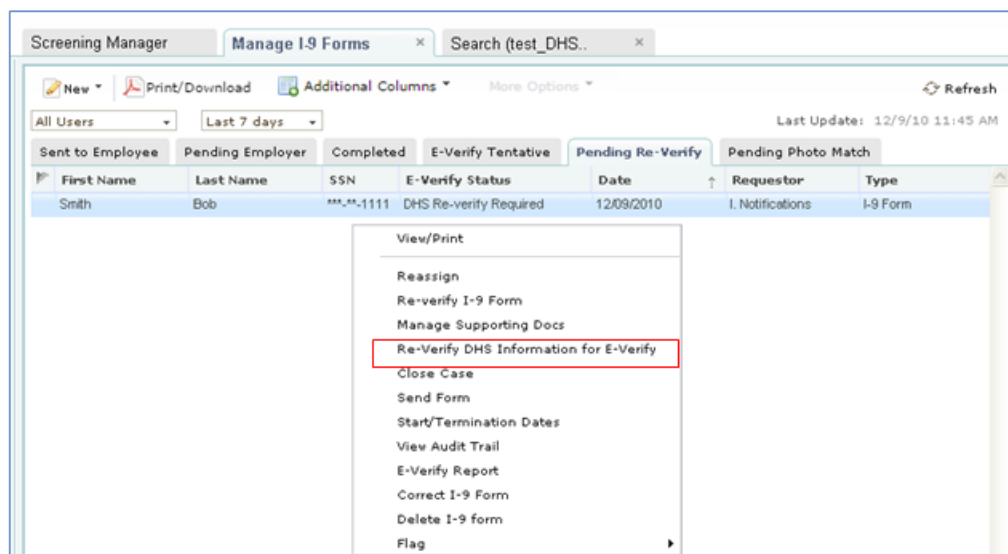

There are two tabs in E-Verify, on the Manage I-9 Forms Dashboard, from which you can check your pending verifications: **Pending Re-Verify** and **Pending Photo Match**.

Pending Re-Verify

E-Verify may require you to review and confirm an employee's data in order to continue processing the E-Verify check for the employee. This does not occur on every submission, however if it does occur:

1. Login to HireRight and select the **Pending Re-Verify** tab.
2. Select **Re-Verify DHS Information from E-Verify**. You are required to review and correct any data errors and resubmit back to E-Verify.

Pending Photo Match

Uploading large documents can cause an upload to timeout and E-Verify may experience problems returning the photo. A message regarding the timeout is displayed on the Thank You page. In order to continue processing the E-Verify check for this employee, right click and select **Confirm E-Verify Photo** to view the photograph and confirm whether the photo matches the photo your employee presented on his/her documentation.

Receiving a Photo Tentative Non-Confirmation

Sometimes you may get a status of **SSA TNC/DHS TNC – Photo Mismatch** from E-Verify. Follow the same steps as any other TNC. In addition, you will need to mail a copy of the employee documents to E-Verify.

I-9 Employment Eligibility Form

Confirm Employee Referral

By selecting Refer below, you are indicating that you have spoken to the employee about this Tentative Non-Confirmation status and the employee has been provided the Referral Letter. If you have not spoken to the employee, click Cancel.

Selecting Refer below will start the 8 federal working days the employee is allowed to make initial contact with the SSA or DHS.

Mail Copy of Employee Documents to E-Verify

Express mail a copy of documents to send to DHS if TNC is due to photo mismatch. Do NOT send original documents to USCIS.

EXPRESS MAIL: Send a copy of the photo document along with a copy of the employee's referral letter to:
 U.S. Citizenship and Immigration Service
 10 Fountain Plaza, 3rd Floor
 Buffalo, NY 14202
 Attn: Status Verification Unit - Photo Tool

Inform all hiring sites of the USCIS shipping information. USCIS will not pay for any shipping costs. Participants are free to choose an express shipping carrier at their own expense.

Employee has eight federal government workdays to contact DHS via instructions on the Referral Letter.
 Designated Agent checks E-Verify for case updates and follows steps to close case.

IMPORTANT: The employer may not ask the employee for additional evidence or confirmation that DHS resolved his or her case.

Using Resources from the USCIS Website

A photo displayed in E-Verify should be compared with the photo in the document that the employee has presented and not with the face of the employee.

Following Photo Matching Requirements (Employer's Responsibility)

If an employee presents a Permanent Resident Card, Employment Authorization Document as the verification document, you must make a copy of that document and keep it on file with Form I-9.

If the photo displayed on the E-Verify screen does not match the photo on the employee's document, the employee will receive a DHS Tentative Non-confirmation (TNC) and must be given the opportunity to correct the problem. If the employee chooses to contest the TNC, the employer must mail a copy of the employee's document to DHS via express mail at the employer's expense.

Avoiding Discrimination

Employees have the right to present any acceptable documentation to complete Form I-9. Employers may not require an employee to present a specific document. Employers must accept the documents the employee chooses to present as long as they appear to be genuine and relate to the person presenting them. Otherwise, employers may be in violation of federal law prohibiting discrimination in the verification process.
