A menu will pop up asking for credentials to log in. These will be in the format of username@yourcampus.edu.

The screenshot shows a dark-themed dialog box for connecting to a Wi-Fi network. At the top left is a blue Wi-Fi signal icon. The main text reads: "The Wi-Fi network 'eduroam' requires WPA2 enterprise credentials." Below this, there is a "Mode:" dropdown menu set to "Automatic". A red rectangular box highlights the "Username:" and "Password:" fields. The "Username:" field contains "username@cu.edu" and the "Password:" field contains seven dots. Below the password field are two checkboxes: "Show password" (unchecked) and "Remember this network" (checked). At the bottom left is a question mark icon, and at the bottom right are "Cancel" and "Join" buttons.
