# How to navigate in Campus Solutions using Tiles, Dashboards, and Navigation Collections

This is a Homepage with a collection of tiles. Some tiles contain additional tile collections called Dashboards, and some go directly to a Navigation Collection. Let's show you an example of a **Navigation Collection**. Click on the **Course and Class** tile.	
This goes straight to the Course Scheduling Navigation Collection. The Navigation Collection on the left panel allows you to navigate to the various pages. Some also contain folders to better organize categories, such as the Course Catalog Folder.
