

Board of Regents Meeting Hispanic-Serving Institutions

Provost and Executive Vice Chancellor

Roderick Nairn

November 6-7, 2019

University of Colorado **Denver** | **Anschutz Medical Campus**

CU Denver | Anschutz Medical Campus

- Based on current Fall 2019 undergraduate enrollment head count, CU Denver | Anschutz may qualify for designation as a Hispanic-Serving Institution by the U.S. Department of Education.

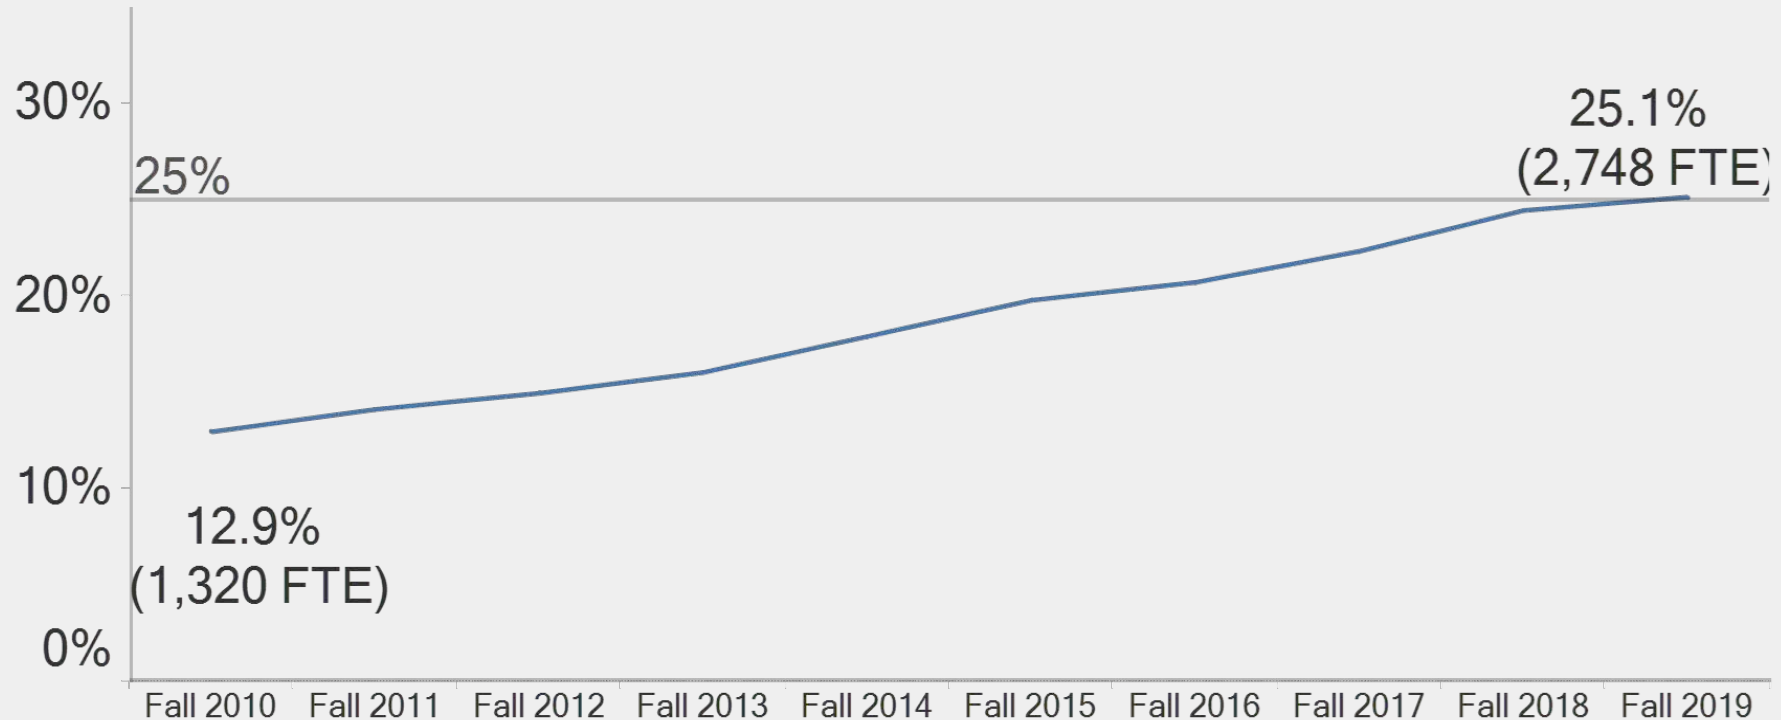

HSI Definition

- ❖ “Hispanic-serving institution” (HSI) has a specific definition by the U.S. Department of Education, primarily based on being an institution of higher education with an enrollment of undergraduate FTE students that is at least 25% Hispanic students
- ❖ Designation as an HSI opens up additional grant opportunities to fund high impact practices that support all student services/ functions and opportunities for additional grants/internships/ scholarships for our students

HSI Data: Latinx Undergraduate FTE – CU Denver | Anschutz

HSI Benefits/Outcomes

- CU Denver | Anschutz will likely apply for HSI designation when the application opens in January 2020. The institution may not be immediately eligible based on data “lookback” to previous years.
- HSI status creates an opportunity for our students, staff, and faculty because it opens up opportunities for additional federal funding.
