LinkedIn Learning Step-by-Step Guide

Connecting and Disconnecting LinkedIn and LinkedIn Learning Profiles

You have the option to connect your LinkedIn profile to your LinkedIn Learning account.

This connection lets you receive personalized course recommendations based on the job title, industry, and skills defined in your LinkedIn profile. You can also post course completions and certifications from LinkedIn Learning to your profile.

If you chose to sign up for LinkedIn Learning without connecting it to your LinkedIn account, you can do so any time after activation, as described in this guide.

If you chose not to connect your LinkedIn profile, you will create a separate LinkedIn Learning account that is not connected to LinkedIn.com. If you chose to sign up for LinkedIn Learning without connecting it to your LinkedIn account, you can do so any time after activation.

Connect Your LinkedIn Profile from LinkedIn Learning

1. Sign into your LinkedIn Learning account using your university credentials.

2. Select the Me icon on the top right of the LinkedIn Learning home screen.

3. Select Settings from the drop-down menu.
4. Select **Connect my account** to be taken to the profile connection selection screen.

5. Select **Continue with LinkedIn**. You will be prompted to enter your LinkedIn email address and password.

**Disconnect Your LinkedIn Profile from LinkedIn Learning**

1. Sign into your [LinkedIn Learning](https://www.linkedin.com) account using your university credentials.
2. Select the **Me** icon on the top right of the LinkedIn Learning home screen.
3. Select **Settings** from the drop-down menu.
4. Select **Disconnect my account** to be taken to the profile disconnection selection screen.

5. When you chose to disconnect, you will see an **Are you sure?** confirmation and you will be taken to the binding selection screen.

6. Select **Continue without LinkedIn** to finalize.
