Custodial and Deposit Agreement

This Custodial and Deposit Agreement ("Agreement") sets forth the terms and conditions that govern your Health Savings Account ("Account" or "HSA") with Wells Fargo Bank N.A. This Agreement is effective as of December 31, 2016 (the "Effective Date") and as of the Effective Date replaces the existing Health Savings Account Custodial Agreement between us and you. Throughout this Agreement, the words "Wells Fargo", "we", "us" or "our" means Wells Fargo Bank N.A., its successors and assigns and "you", "your" or "yours" means the owner of the HSA, any spouse beneficiary upon the death of the HSA owner, or any third party authorized or appointed to access and use the HSA, which third party will be considered the agent of the HSA owner.

Your individual HSA deposit account is being transferred to an omnibus custodial account maintained by Optum Bank, Inc. at Wells Fargo Bank N.A. on December 31, 2016. At this time, Optum Bank, Inc., a Utah state-chartered FDIC insured financial institution (referred to in this Agreement as "Optum") will serve as administrator and recordkeeper of your HSA. Upon regulatory approval, Wells Fargo will assign your account including these terms and conditions to Optum Bank and your deposit will transfer to Optum Bank as custodian and administrator of your HSA.

A. Establishment

1. By instructing us to open an HSA, depositing funds in or otherwise using the HSA or continuing to hold an HSA with us, you have consented to be bound by the terms and conditions of this Agreement, the Privacy Notice ("Privacy Notice"), Electronic Communication Disclosure Information and Consent ("Electronic Communications"), the Health Savings Account Card Holder Agreement ("Card Agreement"), Truth In Savings New Account Disclosure ("Truth In Savings"), and all other notices, disclosures and other documentation referenced herein or relating to the HSA as may be provided to you from time to time and made available by us or Optum at optumbank.com (collectively the "HSA Documentation").
2. If you have authorized your employer ("Agent") to open an HSA with us on your behalf as part of your enrollment in the Agent's health benefit plan, you hereby request that Optum issue you a debit card in connection with your HSA. Furthermore, you authorize and direct Optum and us to provide any information about your HSA, including your account number or any other non-public personal information, to your Agent and those acting on behalf of your Agent in connection with the establishment and maintenance of your HSA. Furthermore, you hereby authorize and direct that your Agent and those acting on behalf of your Agent may take any actions with regard to your HSA as deemed necessary and appropriate, including but not limited to, making deposits and correcting errors where necessary.
3. In order to establish and make contributions to an HSA, you agree and warrant that you are an HSA eligible individual according to the requirements set forth in the Internal Revenue Code of 1986 and the regulations issued thereunder (as amended from time to time) (the "Code"). Further you understand and agree that medical expenses incurred before your HSA is actually established under applicable Utah trust law are not qualified medical expenses and distributions taken to reimburse those expenses may be subject to taxes and penalties.

4. We assume no responsibility for tax or other consequences to anyone arising from the establishment or use of an HSA, including but not limited to determining any adverse tax or other consequences in connection with the HSA and any contributions thereto. You are solely responsible for any taxes, interest, penalties and other expenses which may be payable under applicable law in connection with your HSA. All materials and information provided by us and Optum are designed and distributed with the understanding that they do not constitute or include legal, tax, or other professional advice. Prior to the establishment or use of any HSA, you should consult with an attorney or other qualified tax professional to confirm eligibility requirements and applicable restrictions.
5. You acknowledge and agree that nothing in the HSA Documentation shall be construed to confer fiduciary status upon us for any purpose. We are not required to perform any services or undertake any fiduciary responsibility unless specifically agreed to in a separate agreement entered into by and between you and Wells Fargo.
6. The HSA is self-administered by you and your interest in your HSA is nonforfeitable. Notwithstanding the foregoing, if your employer contributes to your HSA, your employer may recoup those contributions in limited circumstances. Except as provided by law or in the HSA Documentation, neither you or the person you have chosen to receive the proceeds of your HSA, as shown on the Beneficiary Designation Form ("Beneficiary") made available to you on optumbank.com and submitted as instructed on the form, may transfer, assign or pledge any interest in your HSA in any manner whatsoever, including but not limited to, using the funds in your HSA as security for any loan or other extension of credit, or engaging in or directing us to engage in any prohibited transaction, within the meaning of Section 4975 of the Code.
7. The HSA is established by you pursuant to federal tax law, and is neither endorsed by nor sponsored by your employer or any other third party. Your HSA is an individual account arrangement between you and us. As a result, the HSA is not part of an ERISA benefit plan, even if a third party contributes to your HSA, pays your HSA maintenance fee(s), or you make pre-tax contributions under your cafeteria plan.
8. To help the government fight the funding of terrorism and money laundering activities, the USA PATRIOT Act requires us to obtain, verify, and record information that identifies each person who opens an HSA. As a result, when you open an HSA, we or Optum will ask for your name, address, date of birth, Taxpayer Identification Number ("TIN") and other information that will allow us to identify you. We or Optum may also ask to see your driver's license or other identifying documents. You must have a physical address in the United States and we reserve the right to decline your HSA request if we or Optum are not able to fully verify your personal information.
9. You acknowledge and agree that access to your HSA is made available solely through Optum, including through its website at optumbank.com. By your online registration, you consent to and agree that all notices, and documentation and other information related to your HSA will be made available to you on or through the Optum website.

B. Eligibility

You acknowledge and agree that you are solely responsible for determining whether you are eligible to have an HSA as defined in the Code and that neither we nor Optum are responsible for verifying your status as an eligible individual. By instructing us or Optum to open an HSA, you represent and warrant that you are eligible to establish and contribute to an HSA or have a contribution made on your behalf, and are (i) covered as a participant or covered dependent under a high deductible health plan ("HDHP"); (ii) not enrolled in disqualifying non-high deductible coverage maintained by you, your spouse, your employer or through any other source; (iii) not entitled to benefits under Medicare; and (iv) cannot be claimed as a dependent on another person's tax return.

C. Deposits/Contributions

1. There is no minimum contribution required to open an HSA. Except as provided in the HSA Documentation, there is no minimum balance requirement. However, if you open an HSA that remains dormant, with a balance of under U.S. \$1 (or such other minimum amount established by us from time to time), we reserve the right to close the HSA.
2. All contributions to your HSA must be in U.S. Dollars. You hereby authorize and direct us to accept contributions that are made by you or by others on your behalf and to act without further inquiry in accordance with the instructions given to Optum by you or any third party authorized or appointed to act on the HSA, including any instructions that specify a particular tax year for contributions.

Custodial and Deposit Agreement (con't)

3. Funds contributed to an HSA that remain uninvested are insured up to the applicable limit by the Federal Deposit Insurance Corporation ("FDIC"). The amount of insurance coverage available to you depends on the balances in the accounts you have with us that are owned in the same capacity. For additional information, you may visit the FDIC's website at www.fdic.gov.
4. Contributions for any given tax year may be made at any time before the deadline for filing your federal income tax return for such year (without extensions). All contributions received by Optum during a calendar year (other than rollover contributions or direct transfers) will be considered made for that calendar year for purposes of reporting. At our discretion, we (or Optum) may allow deposits for a prior or subsequent calendar year consistent with the requirements of Code Section 223 and any administrative procedures implemented by Optum.
5. Except for rollover contributions that we accept, deposits are limited to the statutory maximum contribution allowed under Section 223 of the Code (including any additional contributions allowed for individuals age 55 or over under Section 223(b)(3)(B) of the Code). At our discretion, we (or Optum, in its discretion) may require you to provide certification to Optum or us that you have attained the age of 55 before we accept any catch-up contribution amounts. You acknowledge that the Internal Revenue Service ("IRS") imposes an excise tax upon any excess contribution that is made to your HSA and for each year in which the excess remains in your HSA. You hereby agree that neither we nor Optum are responsible for determining whether contributions to your HSA exceed the maximum annual contribution limit. If an excess contribution has been made, or you notify Optum that you are not eligible under the Code to make a contribution or have a contribution made on your behalf, Optum will refuse or return the excess contribution, and net earnings (if any) attributable to that contribution as determined in accordance with applicable law, following submission by you of all forms required by Optum.
6. Funds you deposit in an HSA will become available to you in accordance with the timeframes set forth in the Funds Availability section below and the HSA Documentation. Upon a contribution or deposit, you may not withdraw the funds and we will not use the funds to pay distributions or withdrawals that you have authorized or made from your HSA between the time that you contribute the funds and the funds become available to you. You agree not to initiate any transaction the amount of which would exceed the available balance. Optum reserves the right to require at least seven (7) days' written notice prior to withdrawal of funds from the HSA. Unless otherwise instructed by you, contributions received by Optum after 2:00 p.m. Mountain time, Monday through Friday or on a weekend or holiday will be considered to be made on the next full banking day. Optum reserves the right to refuse, limit or return any funds received for deposit. All contributions accepted from you are subject to verification. Your HSA online statement will reflect all amounts credited to your HSA. In accordance with applicable law, Optum reserves the right to reject and/or return any contributions and correct errors (whether made by Optum or your employer, if applicable). Any adjustments for errors in addition or subtraction will be posted to your HSA. Your HSA may also be adjusted for items you have deposited that Optum determines require special handling (e.g., verification of prior endorsements). You acknowledge that all withdrawals from, deposits to or other transactions by you involving your HSA shall be initiated through Optum.
7. You will earn interest on the funds on deposit in your HSA at the rate established by Optum described in the HSA Documentation. Interest will accrue daily based on the balance of funds on deposit in your HSA and will be paid on the last banking day of the month. This means that if you close your account before accrued interest is paid by Optum, any interest accrued up to the date the account is closed will be forfeited and no interest for that month will be paid. The interest rate and annual percentage yield on the full balance in your HSA will be on a tiered basis, as described in the HSA Documentation. Your interest rate and annual percentage yield (in any or all categories set forth in the Truth In Savings provisions of the HSA Documentation) may change at any time thereafter at [our] discretion, and without notice.
8. You will be responsible for and pay Optum all fees, charges and assessments set forth in the HSA Documentation for the services we or Optum perform for you in connection with your HSA, including but not limited to any and all fees disclosed on the Schedule of Fees. An employer or other third party may pay certain fees on your behalf, but you are responsible for any unpaid fees. To the extent permitted by applicable law, you authorize Optum to withdraw all fees, charges and assessments from the balance in your HSA. You agree that Optum may add, subtract or adjust the amount or type of any fee, charge or assessment from time to time without your consent. However, to the extent that new fees are introduced or existing fees are increased, Optum will give you advance notice of such changes, as required by law. You also understand and agree that Optum receives compensation from third parties related to debit card use and that this compensation is in addition to any administration fees related to the HSA. Information relating to such fees is available upon written request.

D Funds Availability Your Ability to Withdraw Funds

The Optum check-clearing procedures have been designed to protect our customers' deposits and to make funds available as soon as possible. When a deposit is received, the availability of funds may be delayed consistent with funds availability laws. During the delay, you may not withdraw the funds in cash or use the funds to pay checks that you have written.

Determining the Availability of a Deposit

The length of delay is counted in business days from the day of your deposit. Every day is a business day except Saturdays, Sundays, and federal holidays. If Optum receives your deposit by 2:00 p.m. Mountain time on a business day that they are open, Optum will consider that day to be the day of your deposit. However, if Optum receives your deposit after 2:00 p.m. Mountain time or on a day Optum is not open, Optum will consider that deposit made on the next business day Optum is open. The length of the delay varies depending on the type of deposit and is explained below.

Same-Day Availability

Funds from electronic direct deposits to your account will be available on the day Optum receives the deposit.

Next-day Availability

Funds from the following deposits are available on the first business day after the day of your deposit:

- U.S. Treasury checks payable to you
- Wire transfers
- Checks drawn on Optum Bank

If you make the deposit in person to an Optum employee, funds from the following deposits are also available on the first business day after the day of your deposit. If you mail the deposits, funds from the following deposits will be available on the second business day after the day Optum receives your deposit.

- Cash (for security reasons, cash should not be sent through the mail)
- State and local government checks payable to you, and if the payor of the check is in the state of Utah
- Cashier's, certified and teller's checks payable to you
- Federal Reserve Bank checks, Federal Home Loan Bank checks and U.S. Postal Money Orders, if these items are payable to you

For all other check deposits, the first \$200 from a deposit will be available on the first business day after the day of your deposit. The remaining funds will be available on the second business day after the day of your deposit. For example, if you deposit a check of \$700 on a Monday, \$200 of the deposit will be available on Tuesday. The remaining \$500 will be available on Wednesday.

Longer Delays May Apply

Funds you deposit by check may be delayed for a longer period under the following circumstances:

- Optum believes a check you deposit will not be paid
- You deposit checks totaling more than \$5,000 on any day
- You redeposit a check that has been returned unpaid
- You have overdrawn your account repeatedly in the last six (6) months
- There is an emergency, such as failure of computer or communication equipment

Optum will notify you if Optum delays your ability to withdraw funds for any of these reasons, and Optum will tell you when the funds will be available. Funds will generally be available no later than the seventh business day after the day of your deposit.

Special Rules for New Accounts

If you are a new customer, the following special rules will apply during the first thirty (30) days your account is open: funds from electronic direct deposits to your account will be available on the day Optum receives the deposit. Funds from deposits of cash, wire transfer, and the first \$5,000 of a day's total deposit of cashier's, certified, teller's, traveler's, and federal, state and local government checks will be available on the first business day after the day of your deposit if the deposit meets certain conditions. For example, the check must be payable to you. The excess over \$5,000 will be available on the ninth business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to an Optum employee, the first \$5,000 will not be available until the second business day after the day of your deposit. Funds from all other check deposits will be available on the eleventh business day after the day of your deposit.

E. Operational Accounts

In our capacity as custodian of the HSA, we or Optum may establish and maintain certain record-keeping sub accounts for the efficient administration and management of the HSA. The HSA may consist of a transactional Negotiable Order of Withdrawal (NOW) sub account and a savings sub account and we or Optum may periodically transfer funds between these two sub accounts. Your HSA statement will show a single balance representing the total funds in the two sub accounts. The same interest rate will apply to both sub accounts and interest will be paid on the total account balance regardless of how funds are distributed between the sub accounts.

Custodial and Deposit Agreement (con't)

F. Distributions

1. You may withdraw all or any part of the balance of your HSA at any time upon your direction. Except as provided in the HSA Documentation, only you and any authorized signer you designate through the process established by Optum can initiate distributions from your HSA. You acknowledge that all withdrawals from your HSA shall be initiated through Optum.
2. You are solely responsible for substantiating and documenting that HSA funds are used to pay or reimburse qualified medical expenses of you, your spouse, or your dependents as defined in the Code. You are also solely responsible for determining the federal and state tax treatment and reporting of any distributions from the HSA, whether made by a check provided to you in connection with your HSA ("Check"), a debit card or other access device issued to you or to an authorized signer of your HSA ("Debit Card"), or a third party transfer from your HSA. Neither we nor Optum determine, or are required to determine whether any distribution is for the payment or reimbursement of qualified medical expenses or correct any mistaken distributions.
3. Optum will not return original Checks to you. Processed Check images will be made available to you on the Optum website. Neither we nor Optum are responsible for actions taken by other banks, or for the loss or destruction of any Checks, drafts or other instruments in the possession of other banks or in transit. Optum may return unpaid any Check on your HSA that is not on a form Optum provided to you, or which is presented to Optum before its date. Optum will not be responsible for paying or certifying postdated Checks on an HSA. You may ask Optum in writing at Optum Bank, P.O. Box 271629, Salt Lake City, UT 84127-1629 to stop payment on a Check drawn on your HSA that has not yet been paid by Optum. Optum will honor any written stop payment request from you which is received by Optum at least two business days before the Check is presented to Optum for payment. The stop payment order must specify the exact amount of the Check, the payee, the date of the Check, the number of the Check and your HSA number. Optum will honor the stop payment request for six (6) months from the day your stop payment request is made.
4. If available on your HSA, you may request that Optum issue a debit card to you and to any authorized signer you designate through the process established by Optum ("Additional Card"), which will enable you and such authorized signer to make distributions from your HSA. You authorize Optum to debit your HSA to pay for transactions made with your Debit Card and any Additional Card and agree that your use of the Debit Card and the use of any Additional Card issued on your HSA is governed by and subject to the terms and conditions of the HSA Documentation provided to you. You agree to make every reasonable effort to safeguard your debit card and any Additional Card(s).
5. You may not make withdrawals in excess of the funds available in your HSA, which includes the HSA balance less any holds applicable to funds contributed into your HSA. We and Optum have no obligation to distribute funds and will not be liable for dishonoring any distributions or withdrawals that would exceed the available funds in your HSA. If a requested distribution exceeds available funds in your HSA, Optum will not liquidate any HSA Investments you may have to ensure sufficient funds in your HSA to cover the requested distribution. If your HSA becomes overdrawn for any reason, you agree to immediately repay the amount of any overdraft. If Optum pays items by overdrawing your HSA, Optum is not obligated to continue paying overdrafts. Optum reserves the right to process distributions, withdrawals, transfers or related requests received by you on the same day in any order Optum determines without regard to the method of withdrawal. The order in which you take distributions may not be the same as the order in which Optum posts those transactions to your HSA. Optum may liquidate investments in your HSA, if any, to cover any overdraft in your HSA and/or any fees that remain outstanding for greater than thirty (30) calendar days. If this happens, HSA Investments will be liquidated in the amount of the overdraft plus twenty dollars (\$20) to cover any market fluctuations on the trade and settlement. The amount liquidated will be equal to the lesser of: (1) the amount of the overdraft plus twenty dollars (\$20) to cover market fluctuations on trade and settlement; or (2) the value of your shares in the mutual funds. The share value will be equal to the fund closing price on the day of the liquidation.

G. Self-Directed Investments

1. Investment options permitted under applicable law, including but not limited to, mutual funds ("HSA Investments"), may be made available for all or a portion of the balance in your HSA in excess of a minimum amount established by Optum. The HSA Investments are not FDIC-insured, not bank issued or guaranteed, and are subject to investment risks, including fluctuations in value and the possible loss of the principal amount invested.
2. You acknowledge and agree that the HSA Investments or any other investment options made available are made available solely online through optumbank.com. By your online registration and use of the HSA Investments, you consent to and agree that all notices, and documentation (including but not limited to, prospectuses, statements of additional information and reports to shareholders), and other information related to your HSA Investments will be made available to you on or through optumbank.com. You understand that mutual fund shares are sold by prospectus only. You agree that you will read and understand the prospectus for each of the mutual fund HSA Investments you select. If you would like to receive a paper copy of any prospectuses, statements of additional information, shareholder reports, or other fund documentation, you may receive it at no additional cost to you by calling the respective mutual fund's toll free shareholder service number contained in its prospectus during normal business hours.
3. Other than as made available to you online through optumbank.com, you hereby decline or waive the receipt of any and all confirmations of your trades in HSA Investments. You may obtain immediate confirmation of any transaction in the HSA Investments by either using the Print Screen function following each transaction, or by monitoring your HSA Investments online through the Access Investments tab. If you would like to receive a written confirmation of a transaction, please send your written request to Optum Bank, P.O. Box 271629, Salt Lake City, UT 84127-1629 and Optum will provide you with a written copy of the confirmation at no additional cost to you.
4. Optum may, at its sole discretion, hire third party service providers, such as record keepers, clearing firms, investment advisers or broker-dealers, to provide certain services with respect to the HSA Investments. Optum shall direct all orders received to such service providers as it may select for the execution of such orders and it shall maintain records thereof in accordance with applicable law.
5. The HSA Investments in which you are able to invest are selected by investment advisers or other service providers retained by Optum in accordance with an investment policy formulated by the adviser or other service provider. In some instances, HSA Investments may be selected by your present or former employer, or its broker-dealer or investment adviser utilizing different mutual fund selection standards than those used by an Optum advisor, and no investment policy formulated by an Optum advisor or other service provider utilized by Optum shall apply to the selection of such HSA Investments. Optum makes no representations as to the quality or performance of any HSA Investments.
6. Optum, and any investment adviser or other service provider Optum may hire, reserve the right to add, subtract or otherwise modify any HSA Investments made available to you, including but not limited to, the termination of your ability to make purchases in an HSA Investment that is no longer made available by Optum. You understand and agree that if a mutual fund is removed from the list of available HSA Investments, you will be given notice and thirty (30) days in which to sell and re-deploy any assets you have in such fund. If you have not taken any action to re-deploy such assets within the specified timeframe, Optum may and you hereby authorize Optum to, liquidate your interests in the fund automatically and return the proceeds to your HSA. You acknowledge that any liquidation of HSA Investments will not result in immediately available funds for deposit to your HSA and such funds will be available only in accordance with the terms and conditions applicable to the specific HSA Investment made by you and the terms and conditions of the HSA regarding availability of funds. You acknowledge that in the event Optum is notified of any change in your eligibility, health plan or the employer associated with your HSA, you may be required to re-enroll in the HSA Investments.
7. No part of your HSA funds may be invested in life insurance contracts; nor may the assets of your account be commingled with other property except in a common trust fund or common investment fund.
8. All HSA Investments shall be registered in the Optum nominee name or a suitable nominee and will be held in an omnibus account at the respective mutual fund company for the benefit of all HSA account holders. The same nominee name may be used with respect to assets of other HSAs whether or not held under agreements similar to this one or in any capacity whatsoever. However, Optum, or a service provider retained by Optum, shall maintain a separate accounting of the HSA Investments registered in an Optum nominee name for the benefit of your HSA.
9. During the term of this Agreement, you hereby irrevocably grant, assign and transfer to Optum any and all voting rights in the shares of any and all HSA Investments of your HSA. You affirm that such irrevocable assignment shall not be construed to confer any fiduciary status upon Optum and may under no circumstances be revoked. You further agree that Optum will not be liable for any act or failure to act in connection with the voting rights assigned herein and that we may, at our sole discretion, take any action or no action as deemed necessary and appropriate by Optum or as permitted by applicable statute, rule or regulation.
10. HSA Investments are self-directed and you have the sole authority and responsibility to select and direct the HSA Investments. Optum, and any third party service provider Optum may hire, does not and will not provide any investment advice to you in connection with the HSA Investments or your HSA. Optum shall have no duty other than to follow your investment directions and shall be under no duty to question your instructions, review, monitor or replace HSA Investments, vote any HSA Investments or otherwise exercise any investment control or discretion. At your instruction, Optum may provide certain automatic sweep functionality in connection with the balance in your HSA and HSA Investments. You acknowledge that in the event we or Optum are notified of any change in your eligibility, health plan or the employer associated with your HSA, any such automatic sweep functionality may expire and may require re-

Custodial and Deposit Agreement (con't)

establishment by you. Neither we nor Optum shall be liable for any investment losses sustained by you that result from your exercise of investment control over your HSA, including but not limited to, any losses sustained as a result of the expiration of any automatic sweep functionality. You acknowledge that any liquidation of HSA Investments will not result in immediately available funds for deposit to your HSA and such funds will be available only in accordance with the terms and conditions applicable to the specific HSA investment made by you and the terms and conditions of the HSA Documentation regarding availability of funds.

11. To the extent applicable, Optum will settle all purchases, sales, investments and reinvestments of HSA Investments only upon receipt of, and pursuant to, your instructions (or as directed by the Beneficiary upon your death) as communicated to Optum, provided such instructions are given to Optum in a form acceptable to Optum. If any orders are not received in a form acceptable to Optum, or when received, are unclear in the opinion of Optum, we may continue to hold funds in your HSA or HSA Investments without liability for loss of income or appreciation, and without liability pending receipt of an acceptable order or clarification.
12. The price you pay for your HSA Investment shares is the net asset value (NAV) per share of the class of shares offered. The NAV of each class of shares is generally calculated as of an established cut-off time each day an HSA Investment is open for business ("Trading Day"). Please refer to the HSA Investment's prospectus to determine when each HSA Investment is open for business and the established cut-off time. You acknowledge and agree that (i) HSA Investment purchase requests submitted before 2:00 p.m. Mountain time on a Trading Day will receive that Trading Day's NAV, while purchase requests after 2:00 p.m. Mountain time on a Trading Day will receive the next Trading Day's NAV; (ii) HSA Investment sell requests submitted before 2:00 p.m. Mountain time on a Trading Day will receive that Trading Day's NAV, while sell requests submitted after 2:00 p.m. Mountain time on a Trading Day will receive the next Trading Day's NAV; and (iii) automatic investment sweep directions are processed by us or a third party service provider retained by Optum at 2:00 p.m. Mountain time on each Trading Day and will receive that Trading Day's NAV. Occasionally for reasons such as power interruption, phone line interference, satellite failure, force majeure, or user error, electronic trades do not transmit properly and will be transmitted as soon thereafter as possible unless you are otherwise informed. In addition, markets may close early, which may also affect the transmission of orders. Sell requests received after an early market close will be treated as if they were received after their regularly established cut-off time. You agree that neither we nor Optum shall be liable for any investment losses sustained by you that result from any delay or failure that is beyond our control, including but not limited to, any losses sustained as a result of any mutual fund payment delay or other failure.
13. **(a)** The prospectus for each HSA Investment contains important information regarding the mutual fund, including information on any fees charged. You acknowledge that, in accordance with the prospectus, some HSA Investments impose frequent trading policies, which may result in a purchase block on your account and/or redemption fees for withdrawals made within a certain period of time following an investment. You agree to pay all redemption fees, transfer taxes or other expenses incurred in connection with the investment or reinvestment of the assets of the HSA. **(b)** The mutual funds making up the HSA Investments also charge ongoing fees at the fund level, such as investment management, administrative, custodial, distribution and shareholder service fees. Optum or its service providers may receive a portion of the shareholder servicing fees, including marketing and services fees, and sub-administration or sub-transfer agent fees, from the mutual funds or their affiliated advisers and distributors for recordkeeping and other services provided in connection with the HSA Investments, but such fees do not represent an additional direct fee or charge to you. Optum in turn, incurs certain costs, including costs to retain investment advisers and other entities to select mutual funds and process your orders, and these fees are used to offset these costs; any excess fees are, however, retained by Optum and will not be remitted to you. **(c)** Investment advisers retained by Optum, or its affiliates, may also receive fees from certain mutual funds or mutual fund affiliates and may select mutual funds that pay higher fees than competitor funds. Such advisers or affiliates of such advisers may also receive compensation as a result of the adviser's selection of a mutual fund managed by it or an affiliate.

H. Transfer or Death of Accountholder

1. If you die or are declared legally incompetent before the entire interest in your HSA has been distributed, Optum can continue to accept and process contributions to your HSA until Optum has actual notice of the death/incompetency and have a reasonable chance to act. Upon notification, Optum will freeze your HSA (disallowing any withdrawals or transfers). If Optum is made aware of your death and have not received notice from your spouse, beneficiary or the personal representative of your estate within ninety (90) days after becoming aware of your death, Optum may, without liability, liquidate your HSA investments, if any, in order to distribute the funds in your HSA to your estate's personal representative or other appropriate party.

2. Any Beneficiary Designation Form provided by Optum may be revoked by you at any time by delivering written notice of the revocation to Optum at Optum Bank, P.O. Box 271629, Salt Lake City, UT 84127-1629, and shall be automatically revoked upon receipt by Optum of a subsequent Beneficiary Designation Form in valid form bearing a later execution date. Any such Beneficiary change or amendment shall not become effective until received by Optum in accordance with instructions Optum provides. We reserve the right to require the written consent of any Beneficiary prior to changing an existing beneficiary designation. If there is no valid beneficiary designation on file with Optum at the time of your death, your legal spouse will be deemed to be your beneficiary. If you are not married at the time of your death, the funds will be paid to your estate.
3. You represent and warrant that any beneficiary designation submitted to Optum at Optum Bank, P.O. Box 271629, Salt Lake City, UT 84127-1629 is complete, accurate and satisfies all legal requirements under applicable law. Optum may presume that a beneficiary is legally competent until Optum receives written notice to the contrary.
4. In the event that the Beneficiary is your spouse, your HSA will become your spouse's HSA as of the date of death. If your Beneficiary is not your spouse, the HSA ceases to be an HSA as of the date of death and is taxable to the Beneficiary (or your estate) in the tax year that includes the date of death, reduced by any payments made for your qualified medical expenses if paid within one year of your death. By law, certain documents must be presented to Optum before funds in an HSA can be transferred or paid out and the HSA closed. These documents may include, but are not limited to, a certified copy of the death certificate; letters testamentary or letters of administration; decrees of probate court; the Beneficiary Designation Form provided by Optum; documents evidencing that estate taxes are paid or not owed; if applicable; and any other additional documents that Optum may require.
5. If a request for a transfer is made pursuant to the terms of a divorce or separation agreement, Optum must receive the request within ninety (90) days of the effective date of the divorce or separation instrument. We will not be responsible for any tax consequences arising from or related to any transfer of interest of your HSA.

I. Electronic Fund Transfer Services

1. Optum may provide you, either itself or through a service provider Optum may hire, with electronic funds transfer ("EFT") or EFT services, which allow you to authorize and direct Optum, from time to time, on your behalf, to make transfers of funds (subject to the sufficiency of funds provisions set forth in the HSA Documentation) to third parties in the amounts specified by you.
2. Subject to the limitations disclosed in the HSA Documentation, you may transfer funds or arrange to have preauthorized payments made to and from your HSA online through Optum at optumbank.com. For such services, you authorize Optum to charge or credit your HSA the amount of each payment instruction and any and all charges applicable to the service(s) we provided to you as set forth in the HSA Documentation. You understand that in performing requested services, Optum may make payments by check or electronic funds transfer and will be acting as your agent in making such payments. To the extent required by applicable law, if Optum does not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, Optum will be liable for your losses or damages. However, there are some exceptions. Optum will not be liable, for instance, if there are insufficient funds in your HSA to make the transfer, or if circumstances beyond the control of Optum (such as fire or flood) prevent the transfer, despite reasonable precautions Optum have taken. If Optum issues a check in performing a requested payment or issue a check to you from your HSA and such check remains uncashed for six (6) months from the issue date, Optum will re-credit your HSA for the amount specified and the original check will no longer be valid. If your HSA is closed in the six (6) months after the original check was issued, Optum is required to deliver (as more fully described in Section P of this Agreement) the funds underlying the uncashed check to the appropriate state in accordance with that state's unclaimed property laws.
3. To stop payment on a single payment in a series of recurring preauthorized third party debits to your HSA, or to discontinue a recurring preauthorized third party debit to your HSA entirely, you should contact the merchant, allowing adequate time for that party to cancel the payment and for Optum to implement the cancellation request (which typically may take up to several days). Neither we nor Optum are responsible for any failure by a merchant to stop a payment or for your failure to notify the merchant in time to stop any given payment from your HSA.
4. If you have instructed us, through services available on the Optum website, to make regular payments to or from your HSA, you can stop such payments online through Optum at optumbank.com. Optum must receive your cancellation request at least three (3) business days before the payment is scheduled to be made. If you order Optum to stop one of these payments three (3) business days or more before the transfer is scheduled, and Optum does not do so, to the extent required by applicable law, Optum will be liable for your losses or damages.

If you terminate your use of our EFT services and you have arranged for preauthorized transfers involving third parties, you are required to inform any third parties that the transfers will cease. Any termination of your use of our EFT services, whether initiated by you or Optum, will not affect any of your or our rights and obligations under the HSA Documentation that have arisen before the effective date of such termination.
- The rights, duties and obligations of both you and us with regard to your HSA are governed by the HSA Documentation and we may, subject to applicable law, amend the HSA Documentation at any time without your consent. Any amendment will become effective on the date stated in the amendment; provided, that the HSA Documentation will be amended automatically to comply with any change in the Code, or other laws, as of the effective date of such change. The notice of the amendment may provide the text of the amendment or it may provide a link to the amendment on our website. If the message provides a link to the amendment, you may obtain a paper copy of the amendment by calling the phone number provided with the notice. If any provision of the HSA Documentation is found to be in conflict with the Code or other laws, the Code or such other laws will supersede that provision.

Upon your written request, Optum will send you any required notice at the most current address in our records. All required notices shall be effective on the date Optum makes such notice available online or on the date Optum sends it to you. In no event may arbitration be initiated more than one year following the date the dispute arose. Any arbitration proceeding under the HSA Documentation shall be conducted in Salt Lake City, Utah. The arbitrator may construe or interpret, but shall not vary or ignore the terms of the HSA Documentation, shall have no authority to award extra contractual damages of any kind, including punitive or exemplary damages, and shall be bound by controlling law. Judgment upon an arbitration award may be entered in any court of competent jurisdiction. The parties acknowledge that because the HSA Documentation affects interstate commerce, the Federal Arbitration Act applies.

O. Assignment, Resignation and Termination

- We reserve the right to assign your HSA without your prior consent, provided that such assignee is qualified under the Code to be an HSA custodian or trustee. Upon any assignment of this Agreement, the assignee shall automatically become custodian of the HSA if it is qualified under the Code to serve as an HSA custodian or trustee. You acknowledge and agree that such assignment may result in loss of FDIC insurance coverage for any HSA balances for which such assignee becomes a custodian or trustee. We shall not be liable for any actions or failures to act neither on the part of any successor custodian or trustee, nor for any tax consequences you may incur that result from the transfer or distribution of your assets pursuant to the HSA Documentation.
- In the event that our organization changes its name, reorganizes, merges with another organization, or if our entire organization (or any portion that includes your HSA) is bought by another organization, that organization shall automatically become the custodian or trustee of your HSA, but only if such organization qualifies under the Code to be an HSA custodian or trustee. If the new organization is not qualified to be an HSA custodian or trustee as required by Code Section 223, the HSA will be terminated effective as of the date the new organization takes control and you direct us to liquidate any HSA Investments and distribute to you all funds in your HSA, including any liquidated HSA Investments as provided under the HSA Documentation and the Code.

J. Electronic Signatures

In the event that Optum has received your electronic signature in connection with your Account Application, Optum may rely on such electronic signature for purposes of your authorization of withdrawals or third party transfers, your notices to change your name or address or your other instructions to us. Optum is not required to obtain your physical signature for such purposes or any other purpose, except as may be required by law.

K. Information, Changes to Information and Amendments

- We and Optum are entitled to rely upon the information and instructions Optum receives with respect to your HSA, including the information contained in the HSA Application, and have no obligation to make further investigation, except as required by law or as provided in the HSA Documentation. You represent and warrant to us that any information or instruction you have given or will give us or Optum with respect to your HSA is complete and accurate. If Optum fails to receive directions regarding any transaction, or if Optum receives ambiguous directions regarding any transaction, or Optum, in good faith, believes that any transaction requested is in dispute, we reserve the right to take no action until further clarification acceptable to Optum is received from you or the appropriate government or judicial authority. Neither we nor Optum shall be responsible for losses of any kind that may result from your directions to Optum or your actions or failures to act.
- You agree to provide Optum with any information or documentation deemed necessary or appropriate by us to prepare any report or return, as required of us by the IRS, the Code or other applicable law.
- Optum will use the most recent contact information you have provided to us or to Optum to communicate with you. You are responsible for notifying Optum of any change in your address, name, or other contact information (including telephone number and email address). You may notify Optum of any changes to your address online at optumbank.com. If your name has changed, you must call Optum at the number listed on the back of your debit card for instructions to follow to change the way your name appears on your HSA. Informing Optum of your address or name change in any other manner is not sufficient. Changes to your telephone number and email address can be communicated to Optum online at optumbank.com or by regular mail at Optum Bank, P.O. Box 271629, Salt Lake City, UT 84127-1629.

Custodial and Deposit Agreement (con't)

3. We can resign as custodian of your HSA at any time upon notice to you. Upon receipt of notice, you must make arrangements to transfer your HSA to another trustee or custodian qualified under the Code. If you do not complete a transfer of your HSA within thirty (30) days from the date we mail the notice to you, Optum has the right to liquidate any HSA Investments and to transfer or otherwise assign your HSA, including any liquidated HSA Investments to a successor HSA custodian or trustee that we choose in our sole discretion, or we may pay your HSA, including any liquidated HSA Investments to you in a single sum.
4. At our sole discretion, we may, upon notice, add, subtract, modify or terminate all or any portion of your HSA Documentation at any time without your consent. No addition, subtraction, modification or termination will affect our right to debit the HSA for any distributions, outstanding charges, adjustments, chargebacks or other amounts incurred by you, or by an authorized signer that we believe are necessary and appropriate under the HSA Documentation. If we terminate your HSA and you hold HSA Investments, Optum may liquidate any HSA investments and distribute to you all funds in your HSA, including any liquidated HSA investments as provided under the HSA Documentation and the Code.
5. You may close or transfer your HSA at any time by notifying Optum in writing at Optum Bank, P.O. Box 271629, Salt Lake City, UT 84127-1629. However, you must first liquidate all HSA Investments in accordance with their applicable terms and conditions and once the proceeds of such liquidation have settled to your HSA, you may terminate or transfer your HSA. If we receive a request to close or transfer your HSA and you have not liquidated all of your HSA Investments within thirty (30) days of the request, Optum may liquidate any HSA investments and distribute to you all funds in your HSA including any liquidated HSA investments as soon as practical after termination, as provided under the HSA Documentation and the Code.

If you receive a distribution of your HSA funds, including any liquidated HSA Investments under this Section N, you are responsible for depositing such funds into another qualified HSA within sixty (60) days from your receipt of such funds if you wish to continue to maintain an HSA.

P. Defaults

You will be in default if you fail to meet any of your obligations under the HSA Documentation or any other agreement with us or Optum. In the event of a default, we may exercise any legal rights we may have. If we are required to take any legal action under the HSA Documentation, you agree to pay our court and collection costs and any attorney's fees and disbursements. If you are in default of the HSA Documentation, or upon the closure of the HSA, whether such closure was made by you or by us, neither we nor Optum shall be obligated to continue to provide services under the HSA Documentation.

Q. Unclaimed Property Laws

Unclaimed property laws may require us to turn over your HSA funds that are considered abandoned by an applicable state (generally the state in which you reside or have listed as the address for your HSA). Unless the laws of an applicable state provide otherwise, your HSA may be considered abandoned when it ceases to be an HSA, either by your death (if you have no surviving spouse), or by other circumstances, and if those with authority to act on the account (e.g., the estate representative or the account beneficiary) fail to claim the funds for a period of time specified in the applicable state's unclaimed property law. Before turning over any abandoned HSA funds, Optum may send a notice to the email address or physical address Optum currently show for your account or to the beneficiary's address. After delivering your funds to the state, we will close your HSA. If an applicable state requires us or Optum to turn over funds before your HSA has ceased to be an HSA, then neither we nor Optum will be liable for any taxes or penalties associated with any distribution.

R. Limitation of Liability and Hold Harmless

In connection with your HSA and the HSA Documentation, we are not responsible for any act or failure to act by us that is reasonable under the circumstances or that is consistent with the rules and regulations of the Board of Governors of the Federal Reserve System and other federal regulatory agencies, or any applicable laws, rules or regulations of the State of Utah, or with general commercial practices of banks. We are not responsible for any act or failure to act of any service provider or mutual fund relating to the Investments. You agree to indemnify us and hold us harmless against any claims, damages, expenses and losses, including attorney's fees, incurred by us resulting from (i) any action we take in honoring your instructions, including but not limited to all verbal or facsimile instructions received with respect to your HSA, (ii) in connection with our honoring of any subpoena or court order relating to your HSA or (iii) other costs, expenses or liabilities arising under the HSA Documentation except costs, expenses or liabilities that arise from our breach of any duty under the HSA Documentation.

S. Miscellaneous

We can choose not to exercise or to delay enforcement of any of our rights under the

HSA Documentation without compromising them. Each party's rights and obligations under the HSA Documentation will be binding upon its heirs, executors, legal representatives, successors and permitted assigns. If any provision of the HSA Documentation is held invalid or unenforceable, all other provisions of the HSA Documentation shall remain in full force and effect. The HSA Documentation becomes effective upon the date of this Agreement. The HSA Documentation shall be governed by and construed in accordance with the laws of the State of Utah and applicable federal law.
