Policy 13.C: Approval of the University Risk and Insurance Management Program

The University of Colorado shall implement and support a risk management strategy.

The strategy shall place the highest priority on preventing and actively managing the risks and associated costs which detract from the pursuit and realization of institutional objectives.

The strategy shall encourage each member of the university community to take individual responsibility for the creation of an environment that protects and enhances the reputation and assets of the university in a responsible and cost-effective manner.

The results of this comprehensive effort will help assure that the University of Colorado is a safe place to teach, learn, and work.
