RE: Recommended Changes to Regent Policy 5.F

Background

Regent Policy 5.F: Termination of Faculty Appointments Following Program Discontinuance is scheduled for review in 2026 as part of the Board of Regents' Five-Year Review Plan. Several updates to the policy are proposed. See recommended changes below.

Stakeholders who will be participating in the review of the proposed changes to Policy 5.F include:

- Campus provosts and provosts' teams
- University Counsel
- Faculty Shared Governance
- CU System Office of Academic Affairs

Recommendations

References to "program discontinuance" are clarified in the title and in the policy as "academic unit or degree program discontinuance."

A new clause (2) is added in Section 5.F.1(B) to recognize that faculty appointment FTE may be changed as part of unit or degree program discontinuance process. As is true with termination of faculty appointments, the chancellor will make those decisions in consultation with appropriate faculty and administrators. (Updated 3/25/26)

The title of Section 5.F.1(G) is updated to "Benefits for All Faculty." Other changes to this section include:

- Language regarding COBRA benefits upon termination of employment is suggested for removal since this benefit is available to any qualifying participants in the health plan who are leaving the university – not just in cases of termination for program discontinuance. Replacing this section is more general language that faculty should consult with Employee Services about benefits eligibility upon leaving employment.
- For existing language that faculty members experiencing termination due to program discontinuance can request employment counseling, a clarification is added that this benefit will be funded by the respective campus of the faculty member making the request.
- The subsection on grievance rights specific to faculty terminated through program discontinuance has been moved to Section 5.F.1(F) – Obligations to Tenured and Tenure-Track Faculty.

Other minor clarifying edits in wording are suggested throughout the policy.

The administration is seeking approval for the proposed updates in Policy 5.F and requests a future effective date to align with approval of the policy's related APS 1015: Implementing Academic Unit or Degree Program Discontinuance. (Updated 4/27/26)
