Employee Guide: Qualifying Life Change

Divorce, Legal Separation, Annulment or Termination of Partnership

The following guide outlines permissible changes to benefit elections and how to make them when an employee loses a spouse/partner due to divorce, legal separation, annulment or termination of domestic or civil union partnership.

Permissible changes

If an employee is losing a spouse/partner they may make certain changes to their benefit elections for themselves and their dependents (ex-spouse/ex-partner and children/step-children). These changes must be made within 31 days from the date of event and must be consistent with losing a spouse/partner, and correspond with a loss of eligibility. New elections will be effective the first of the month following the divorce, legal separation, annulment or termination of partnership.
