Eligibility and Enrollment

Who is Eligible

This section will tell you who is eligible to enroll for coverage, as well as when you can enroll for coverage.

Subscriber. You are eligible to be a subscriber and have coverage under this *plan* if you are an employee or other member of the group of the *group* and meet the *group's* eligibility criteria. See your group for more information on specific eligibility requirements.

Dependents. You may enroll your eligible *dependents* for coverage under this *plan*. Your *dependents* are only eligible for coverage if they are one of the following:

- Spouse: Your spouse under a legally valid marriage. Spouse also includes a partner from a civil union as defined by Colorado Law. All references to spouse in this *certificate* will include a partner from a civil union.
- Domestic partner: Your domestic partner under a legally registered and valid domestic partnership. Check with your *group's* human resources or benefits department to see if your domestic partner is eligible for coverage under this *plan*.

Children: Your or your spouse's or domestic partner's child by blood or by law up to age 26. This includes your natural children, stepchildren, legally adopted children, children placed for adoption, foster children or children for whom you are the legal guardian or have been court-ordered to provide coverage.

Your children may continue coverage beyond the above stated age limit if:

- they are unmarried and incapable of self-support due to an intellectual disability or physical handicap;
- are financially dependent on you or your spouse or domestic partner for support and maintenance; and
- were enrolled and disabled prior to reaching the limiting age of this *plan*.

You and the child's physician must fill out a disabled dependent form and provide it to us. Contact us to obtain the form. After two years from when you initially provided proof, we may ask for continued proof of the child's disability, but no more than once a year.

Newborn and Adopted Child Coverage. You or your spouse's or domestic partner's newborn or adopted children will be covered for an initial period of 31 days from the date of birth, placement for adoption, or adoption. For an adopted child, the date of adoption is the date you assume or retain a legal obligation to support the child. If you want your newborn or adopted child to continue coverage beyond this time, you must contact your *group* within 31 days of the date of birth, placement for adoption, or adoption to add them to this plan.

Enrollment

Initial Enrollment. Your *group* will have an initial enrollment period for newly eligible and their dependents to enroll for coverage. You may need to meet a waiting period established by the *group* before you can enroll for coverage. See your *group's* human resources or benefits department to determine if there are any waiting periods.

If you or your *dependents* do not enroll during the initial enrollment period you will only be able to enroll during an open enrollment or special enrollment period. Keep reading for more information on open and special enrollment periods.

Open Enrollment. At least once a year your employer will hold an open enrollment period. During the open enrollment period you and your *dependents* can enroll for coverage. If you do not enroll during the open enrollment period, you may have to wait until the next open enrollment period, unless you qualify for a special enrollment period. See below for more information on special enrollment.

Special Enrollment. Your plan elections chosen during initial or open enrollment are intended to remain the same until the next open enrollment period. However, there may be times when you or your *dependents* can enroll for coverage outside of the open enrollment period. This is allowed if you have certain qualifying events that happen. Qualifying events are:

- You or your *dependents* did not previously enroll for coverage because you had coverage under another group plan (including COBRA or other continuation coverage) and have since become ineligible for that plan. You must request enrollment within 31 days of this qualifying event.
- You have a change in the number of *dependents* due to marriage, birth, adoption, court order, legal guardianship, or death. You must request enrollment within 31 days of this qualifying event.

- You or your *dependents* lost coverage under Medicaid or a Children's Health Insurance Program (CHIP), or became eligible for a subsidy (state premium assistance program) under Medicaid or CHIP. You must request enrollment within 60 days of this qualifying event.

Notice of Changes in Eligibility. You must tell your *group* if there are any changes that will affect your or your *dependent's* eligibility. This includes a change in address or a change in the number of your *dependents*. The *group* is then responsible to notify us of any changes according to the terms of the *group contract*. If your *group* fails to notify us of your changes in eligibility, it does not obligate us to pay for your vision care.

Your Effective Date. Your coverage begins at 12:01 a.m. Eastern Time on the *effective date*. Your *effective date* and enrollment requirements are described in the *group contract*. See your employer's human resources or benefits department for more information on your specific *effective date* under this *plan*.

Statements and Forms. *Subscribers* or applicants for membership shall complete and submit applications, questionnaires or other forms or statements the *plan* may reasonably request. Applicants for membership understand that all rights to benefits under this *certificate* are subject to the condition that all such information is true, correct and complete. Any material misrepresentation by a *member* may result in termination of coverage as provided in the Termination and Continuation of Coverage section. We will not use a statement made by a *member* to terminate the *member's* contract after two years have passed since the enrollment date. This does not apply, however, to fraudulent misstatements.

Delivery of Documents. We will provide an identification card and a *certificate* for each *subscriber*.

How to Access Your Services

This section tells you how we set the payment amount for *covered services*. It will also tell you more about what you pay out-of-pocket for *covered services*, as well as how your choice of *provider* may affect your out-of-pocket costs. The portion you must pay for *covered services* is stated in the Schedule of Benefits at the beginning of this *certificate*.

Choosing a Provider

Please read the following information so you will know from whom or what group of providers vision care may be obtained.

Important Note: We do not restrict or interfere with your right to select the *provider* of your choice, but your benefits are reduced when you use a *provider* who is not a *network provider*.

Network Providers. We have a network of vision care providers for you to use. We call them network providers, because they have agreed to take part in our Blue View Vision network. They have agreed to provide *covered services* to you for a negotiated rate. *Covered services* you receive from a network provider are considered In-Network care.

IMPORTANT: If you opt to receive optometric services or procedures that are NOT covered services under this plan, a network provider may charge you his or her usual and customary rate for such services or should provide you with a treatment plan that includes each anticipated service or procedure to be given a procedures. Prior to providing you with optometric services or procedures that are not covered services, the provider should provide you with the estimated cost of each service or procedure. To fully understand your coverage, you may wish to review your *certificate*.

Non-Network Providers. Non-network providers are vision care providers that did not agree to participate in our Blue View Vision network. They have not agreed to a negotiated rate and do not have a provider contract with us. Using a non-network provider will typically increase your out of pocket costs. *Covered services* you receive from non-network providers are considered Out-of-Network care.

Please call us or visit our website listed in the Contact Us section for help in finding a *network provider*.

Benefits / Coverage (What is Covered)

This section describes the *covered services* available under your vision care benefits when received by a *provider*. All *covered services* are subject to the exclusions listed in the Exclusions section and all other conditions and limitations of the *certificate*.

Routine Eye Exam. Your *plan* covers a complete eye exam with dilation as needed. The exam is used to check all aspects of your vision. An eye exam does not include a contact lens fitting fee. Your plan covers a refraction in conjunction with an eye exam. A refraction is your prescription based on your eye exam. *Network providers* should not bill the refraction separately from the routine exam.

Additional Options. Benefits are available for additional services in accordance with the Additional Savings Program. For additional information on available discounts please contact your *network provider* or call customer service.

Member Payment Responsibility

Your Out-of-Pocket Costs

You may have to pay a portion of the cost for covered services. *Copays* are an example of an out-of-pocket cost. Your out-of-pocket costs may vary depending on whether you receive vision care from a *network* or *non-network provider*. See the section How to Access Your Services and Obtain Approval for Benefits for more information on *providers*. Keep reading to learn about your out-of-pocket costs.

Benefit Maximums, Allowances and Frequency Limits

Maximum Allowable Amount. The *maximum allowable amount* is the most we will pay for *covered services*. It is based on our established network fee schedule. *Network providers* have agreed to accept the *maximum allowable amount* as payment in full for *covered services*. You may be responsible to pay for a portion of the *maximum allowable amount*, such as your *copayment*. Your portion of the *maximum allowable amount* is stated in the Schedule of Benefits. *Non-network providers* have not agreed to accept our *maximum allowable amount* as payment in full and may charge you their usual amount for services and supplies.

Benefit Frequency Limits. The benefit frequency limit is the number of times we will pay for a *covered service* within a stated benefit period. You are responsible to pay all charges for services or supplies that are received more than the allowed frequency limits. Benefit frequencies are stated in the Schedule of Benefits.

Claims Procedure (How to File a Claim)

This section describes how you submit a claim and what information you should include on your claim. When you receive care from a *network provider*, you do not need to file a claim. The *network provider* will do this for you. However, if you receive vision care from a *non-network provider*, you will need to submit a claim to us.

Notice of Claim. After you receive vision care you will need to contact us, either by phone or mail (see contact information listed below). You should contact us within 20 days of the date you received vision care so we can provide to you claim forms for filing. Notice given by someone on your behalf, or to any agent authorized by us, within information to identify you will be deemed notice to us. If you are unable to contact us within 20 days, it does not mean we will not pay for your claim. Just contact us as soon as reasonably possible.

Claim Forms. We will provide claim forms within 15 days after you notify us. The claim form will have instructions on how to fill it out and where to submit. If you do not receive the claim form within 15 days of your notice, you may send us other written proof of your loss instead, such as an itemized bill from your *provider*. To make it easier to process your claim, the other proof of loss should include the following:

- the date of service
- the patient's name, date of birth, and identification number
- the type and place of service
- your signature and the provider's signature

Proof of Loss. Your written proof of loss as described above should be provided to us within 90 days after the date of you received vision care. If it is not reasonably possible to provide your written proof of loss within this time, we will not invalidate or reduce your claim. However, you must send it as soon as reasonably possible, and in no event later than a year from when it was due, unless you are legally incapacitated.

Notice of claim, claim forms and other proof of loss can be sent to the following address:

Blue View Vision
P.O. Box 8504
Mason, OH 45040-7111
Phone: (866) 723-0515

Time of Payment of Claims. We will pay claims immediately once we receive written proof of your claim, but not later than 60 30 days after we receive your proper written proof of loss.

Payment of Claims. We will pay claims directly to *providers* if they have an assignment of benefits on file. If the *provider* does not have an assignment of benefits on file then we will pay claims to you. If you pass away, we will pay claims to your designated beneficiary or to your estate if there is no assignment of benefits.

Penalties may include imprisonment, fines, denial of insurance and civil damages. Any insurance company or agent of an insurance company who knowingly provides false, incomplete, or misleading facts or information to a subscriber or claimant for the purpose of defrauding or attempting to defraud the subscriber or claimant with regard to a settlement or award payable from insurance proceeds shall be reported to the Colorado division of insurance within the department of regulatory agencies.

Entire Contract. The law of the state in which the *group contract* was issued will apply unless otherwise stated herein.

In addition, your employer has the *group contract* and the group master application, which are also a part of your *plan*. No agent of the plan is authorized to change the form or content of this plan or waive any of its provisions. Any changes to the *plan* must be endorsed by an executive officer. All statements made by you or your employer shall be deemed representations and not warranties. No written statement made by you will be used in any context to deny a claim unless a copy of the statement is furnished to you, your beneficiary or personal representative.

Incontestability. The validity of this *plan* will not be contested, except for nonpayment of premiums, after it has been in force for two years from its date of issue. No statement made by you or your *dependents* relating to you or your *dependent's* insurability will be used to contest the validity of this *certificate* unless the statement is contained in a written instrument signed by you or your *dependents*.

Change of Beneficiary. You have the right to choose your own beneficiary.

Independent Contractors. *Providers* are not our agents or employees. They do not have the ability to waive or alter your *plan*. We are not responsible for any damages or injuries as a result of receiving care from any provider.

Benefits not Transferable. You are the only person able to receive benefits under this *plan*. You are not able to transfer your benefits to anyone else.

Legal Actions. No action at law or in equity shall be brought to recover on this *plan* prior to the expiration of 60 days after written proof of loss has been furnished in accordance with the requirements of this *plan*. No such action shall be brought after the expiration of three years after the time written proof of loss is required to be furnished.

Coordination of Benefits. We consider this *plan* primary in all circumstances.

Grace Period. Your *group* is responsible to pay premiums on your behalf. After the first premium payment, your *group* has a grace period of 31 days to pay any *premium* due. During the grace period, your coverage will continue in force unless your *group* has given us written notice to cancel the coverage in accordance with the terms of the *group contract*. Your *group* is responsible to pay any premium to the plan. However, you may be required to pay a portion of the premium to your *group*. See your *group* for more information on premiums.

Conformity with the Law. Any provision of this *plan* which is in conflict with the laws of the state in which the *group contract* is issued, or with federal law, is hereby automatically amended to conform with the minimum requirements of such laws.

Modifications. We may change this *plan*, including the premiums, at any time by providing notice to the *group* at least 30 days before the change takes effect.

Notice of Privacy Practices. We maintain a privacy program designed to protect your health information consistent with applicable law. In addition to various laws governing your privacy, we have our own privacy policies and procedures in place that are designed to protect your information. We are required by law to provide individuals with notice of our legal duties and privacy practices. To obtain a copy of this notice, call us or visit the website listed in the Contact Us section of this *certificate*.

Reservation of Discretionary Authority

The following provision only applies where the interpretation of this *certificate* is governed by the Employee Retirement Income Security Act (ERISA), 29 U.S.C. 1001 et seq. The *plan*, or anyone acting on our behalf, shall determine the administration of benefits and eligibility for participation in such a manner that has a rational relationship to the terms set forth herein. However, we, or anyone acting on our behalf, has complete discretion to determine the administration of your benefits. Our determination shall be final and conclusive and may include, without limitation, determination of whether the services, care, treatment, or supplies are covered. However, a *member* may utilize all applicable grievance and appeals procedures.

The *plan*, or anyone acting on our behalf, shall have all the powers necessary or appropriate to enable it to carry out its duties in connection with the operation and administration of the *certificate*. This includes, without limitation, the power to construe the *group contract*, to determine all questions arising under the *certificate*, to resolve member grievances and Appeals and to make, establish and amend the rules, regulations and procedures with regard to the interpretation and administration of the provisions of this *certificate*. However, these powers shall be exercised in such a manner that has reasonable relationship to the provisions of the *group contract* the *certificate*, provider agreements, and applicable state or federal laws. A specific limitation or exclusion will override more general benefit language.

Termination / Nonrenewal / Continuation

Except as otherwise provided, your coverage will terminate in the following situations. The information provided below is general and the actual effective date of termination may vary based on your *group's* agreement with us and your specific circumstances, such as whether premium has been paid in full:

If Your Group Cancels Coverage. Your coverage will end if your employer cancels coverage or on the date the *group contract* between us and your employer ends.

If You Cancel Your Coverage. If you want to cancel your or your *dependent's* coverage you need to notify your *group*. See your *group's* human resources or benefits department for more information on how to cancel your coverage. If you cancel, your *group* will be responsible to notify us in writing of the cancellation.

If You or Your Dependents Are No Longer Eligible. Coverage will end when you and/or your *dependents* no longer meet the eligibility requirements as outlined under the section Eligibility and Enrollment. When you or your *dependents* are no longer eligible, the date coverage ends is determined by the *group* in accordance with its eligibility requirements.

Fraud, Intentional Misrepresentation, Misuse of an ID Card. We will cancel this coverage if you or the *group* participates in any kind of intentional misrepresentation of material fact (knowingly provide false information) or fraud during the application and/or enrollment process. Subject to the incontestability provision, we will cancel this coverage if you or the *group* participates in any kind of intentional misrepresentation of material fact (knowingly provide false information) or fraud during the application and/or enrollment process. We may also cancel your coverage for other types of fraud, such as if you allow any other person to use your ID card to obtain benefits, or if you use another *member's* ID card (including one of your *dependent's* ID card) to obtain benefits. You will be held liable for any payments we make as a result of fraud. For any fraud or intentional misrepresentation, coverage will end on the date we send the written notice of cancellation.

If Your Group Does Not Pay the Premium. We must receive the premium no later than the end of the grace period for your coverage to remain in force. If your employer does not pay your premium by the end of the grace period as stated in the *group contract*, we may cancel this coverage.

If You Fail to Pay the Premium. If you fail to pay or fail to make satisfactory arrangements with the *group* to pay your portion of the premium, coverage will end as of the last date for which premium was paid.

We Cease to Offer This Coverage. If we cease to offer coverage in the group employer market, we will cancel your coverage in accordance with the terms and conditions of state laws.

Continuation of Coverage

COBRA Continuation of Coverage. Your employer is subject to COBRA if they have more than 20 employees. COBRA allows you and your dependents to continue coverage for either 18, 29 or 36 months depending on the event.

COBRA coverage is available to you and your *dependents* for 18 months for the following events:

- You lose coverage due to a reduction in working hours, a layoff, or strike.
- You lose coverage because your employment ends (for voluntary or involuntary loss, except for gross misconduct).

COBRA coverage is available to you and your *dependents* for 29 months for the following events:

- You or your *dependent* was disabled when coverage ended or within 60 days after the coverage ended. However, you or your *dependent* must continue to be disabled after 18 months has passed. The Social Security Administration must determine if you are disabled.

COBRA coverage is available to your *dependents* for 36 months for the following events:

- Your death.
- You become eligible for Medicare in the 18 months before an event listed above.
- You divorce or separate from your spouse.
- Your dependent children no longer qualify as dependents.

You must notify your employer within 60 days if you or your dependents wish to continue coverage under COBRA after an event. Once notified, your employer will provide the information on how coverage under COBRA may continue, and must give us notice within 30 days of the event that you wish to continue coverage. Contact your employer for more information.

How Continuation of Coverage Ends. Your continuation of coverage ends when the time period that you qualified for runs out. However, coverage may end before that time if one of the following occurs:

- The *group contract* between us and the employer ends. If your employer switches coverage you will be able to continue coverage under their new plan.
- You fail to pay the premium (subject to the grace period).
- You tell us in writing to cancel your coverage.
- The date your spouse remarries and becomes eligible under the new spouse's plan.

Coverage may also end for COBRA if the following occurs:

- You are eligible for coverage with another group. However, if your COBRA plan covers something that the other group doesn't then you may continue coverage. Your coverage will continue until the group covers that exclusion or you are no longer eligible.
- You get Medicare
- Your coverage was extended to 29 months and you are now no longer disabled.

Information on Plan and Premium Changes

This section explains how and for what reasons that we may change the plan and the premium.

Changes to Your Plan. We may change this plan, including the premiums, at any time by providing notice to the *group* at least 30 days before the change takes effect.

Changes to the Premium. Premiums are the monthly charges your group must pay us for to keep this coverage in effect. We determine out and set the required premiums. Your group is responsible for paying your premium to us according to the terms of the group contract. You may be required to pay a portion of the premium. See your *group* for more information.

We may change your premiums on your *group's* renewal date for this *plan*. If wrong information is given to us that we use to establish your premium, then the difference will billed to the *group*.

Grace Period. Your *group* is responsible to pay premiums on your behalf. After the first premium payment, your *group* has a grace period of 31 days to pay any premium due. During the grace period, your coverage will continue in force unless your *group* has given us written notice to cancel the coverage in accordance with the terms of the *group contract*.

Statement of ERISA Rights

As a member of this plan, you may be entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA generally does not apply to church plans or to governmental plans, such as plans sponsored by city, county, or state governments, or public school systems. Check with your *group* to determine if your plan is subject to ERISA.

As part of your rights, you may examine, without charge, at your *group's* plan administrator's office or at other specified locations, all plan documents. These include insurance contracts, copies of all documents filed by the plan with the Department of Labor (such as detailed annual reports) and plan descriptions. You may obtain copies of all plan documents and other plan information by writing to your *group's* plan administrator. The administrator may make a reasonable charge for the copies.

Plan Fiduciaries. In addition to creating rights for plan members, ERISA imposes duties upon the people who are responsible for the operation of your employee benefit plan. The people who operate your plan are called "fiduciaries" of the plan. They have a duty to operate the plan prudently and in the interest of you and other plan members.

- No one may terminate your employment or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.
- If your claim for a welfare benefit is denied in whole or in part, you may receive a written explanation of the reason for the denial.
- You have the right to have the plan administrator review and reconsider your claim.

Enforcement of ERISA Rights. Under ERISA, there are steps to enforce the rights listed above. For instance:

- If you request materials from the plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110 a day until you receive the materials (unless the materials were not sent because of reasons beyond the control of the administrator).
- If you have a claim for benefits for an appeal of a coverage decision, which is denied or ignored, in whole or in part, you may file suit in a state or federal court.
- If plan fiduciaries misuse the plan's money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court decides who pays court costs and legal fees.

If you are successful, the court may order the person you have sued to pay the court costs and fees. If you lose, the court may order you to pay these costs and fees. You may lose if, for example, the court finds your claim to be frivolous.

Assistance. If you have questions about your plan, contact your *group*. If you have questions about this statement about your rights under ERISA, contact the nearest Area Office of the Employee Benefits Security Administration, Department of Labor. You can find the contact information in your telephone directory. You may also contact the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210.
