MEET SKILLSOFT

It's a smart way to learn outside the classroom.

This online learning platform, available to all CU Denver and CU Anschutz students, provides a place to gain essential skills you'll use during and after your time at CU. Whether you want to design a website or build new Microsoft office skills, Skillsoft provides opportunities to learn, discover and achieve.

WITH SKILLSOFT, YOU CAN:

LEARN
Valuable skills including design, business, IT, wellbeing and more.

DISCOVER
Over 28,000 courses, videos and books.

ACHIEVE
Your educational, personal and professional goals.

GET STARTED!

1) Log on to **UCDAccess**

2) Click **Training**, in the lower right navigation

3) Click **Start Skillsoft**

4) Select **Library** from the top of the screen
