Fulfilling CU’s Mission

From 2019–2021, the University of Colorado conducted a collaborative and inclusive strategic planning process to identify common themes that would help guide the university for the next five years and beyond. Priorities identified collectively by stakeholders involved throughout the process will advance CU’s Mission.

“The University of Colorado is a public research university with multiple campuses serving Colorado, the nation, and the world through leadership in high-quality education and professional training, public service, advancing research and knowledge, and state-of-the-art health care.”
