How to clear browsing history from Internet Explorer 10

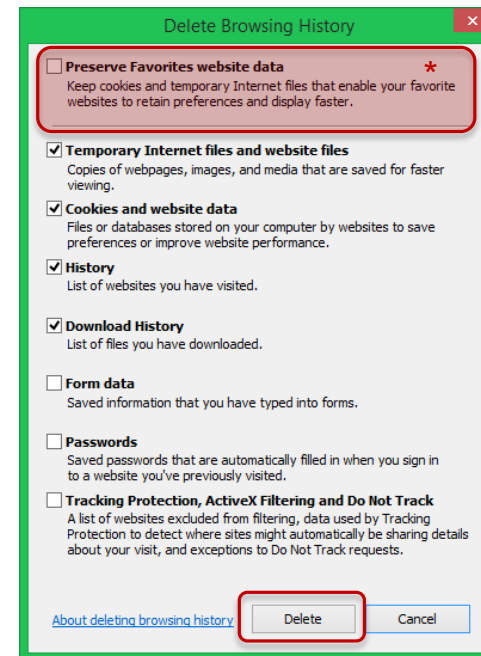

1. Open Internet Explorer by accessing the icon on your desktop or in the Start menu.

2. Click on Tools → Safety → Delete browsing history.

3. A dialog box appears. Select the history to delete as follows and clear by clicking Delete.

* It is strongly recommended that *Preserve Favorites website data* be **unchecked**. Preserving this data will prevent cache from clearing in PeopleSoft environments and may cause them to operate incorrectly.
