

From the CU System landing page at <https://cusystem.zoom.us/>, you can:

- [Download Zoom Client and install it on your computer](#)
- [Join a meeting in progress](#)
- [Host a meeting](#)
- [SSO to manage your individual CU System account](#)
- [Non-SSO to manage your Shared CU System account.](#)

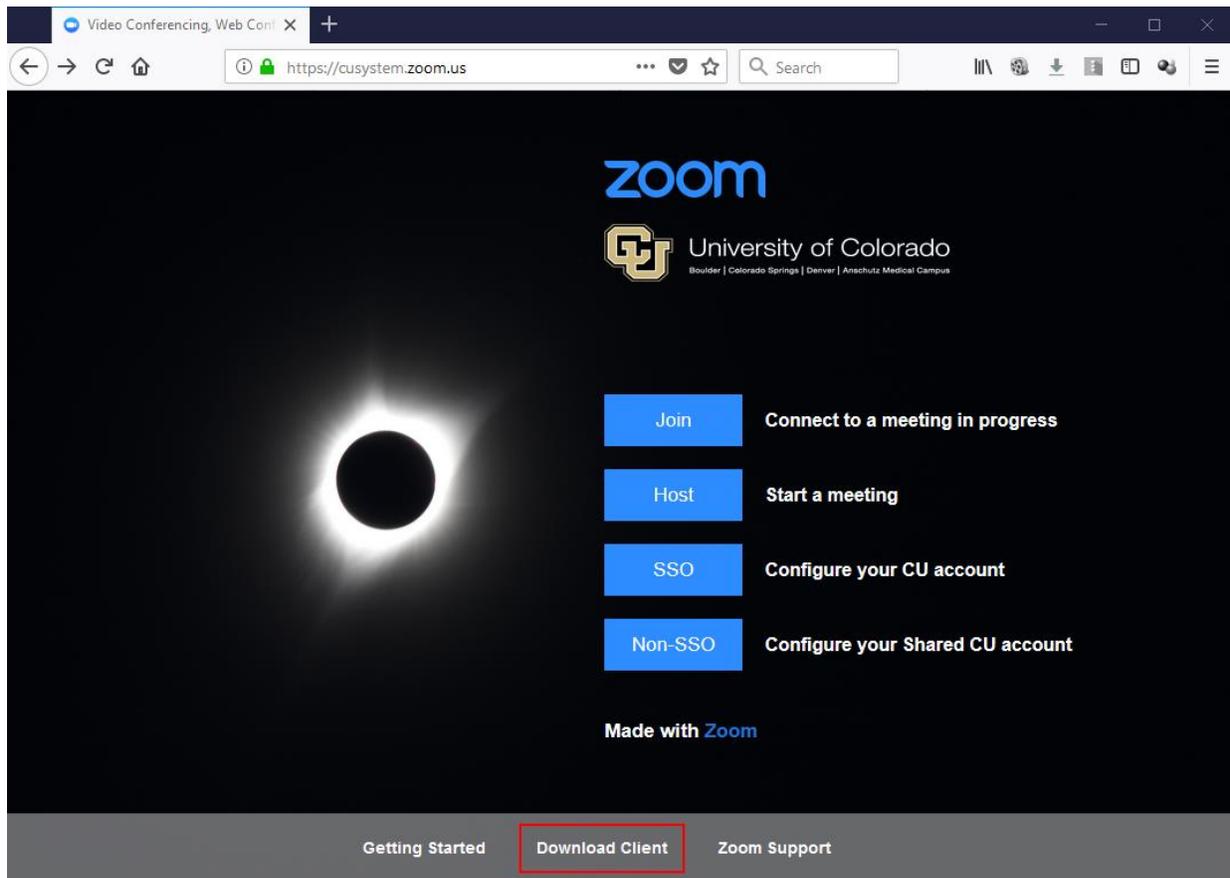

You can also do the same things directly from the locally installed Zoom application.

- [Sign in with the locally installed Zoom Application](#)

For any issues, please contact zoomsupport@cu.edu

To install the Zoom client:

1. Click **Download Client**

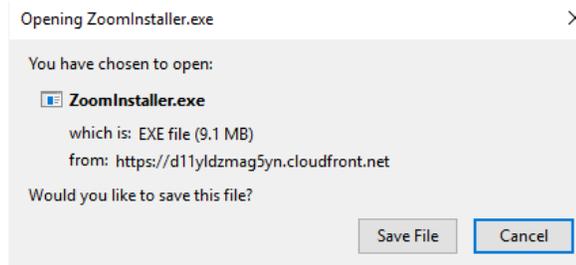

2. Click Download

Zoom Client for Meetings

The web browser client will download automatically when you start or join your first Zoom meeting, and is also available for manual download here.

- Depending on your browser, click Save File and then execute it from where you saved it or Run to execute it directly.

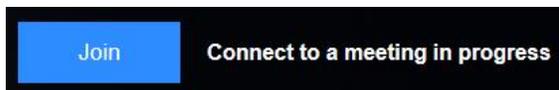

- Once it has completed the installation, the Zoom application will launch automatically.

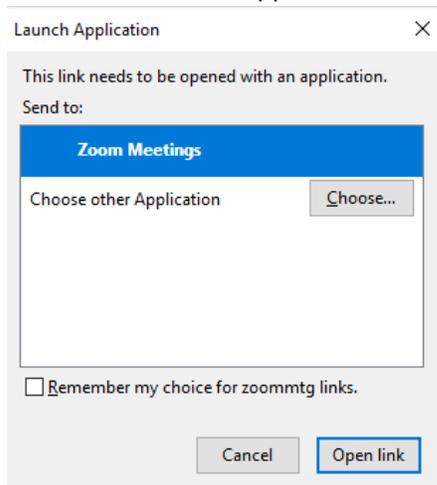

- For additional sign in steps, go to the [Sign in with the locally installed Zoom Application](#) section.

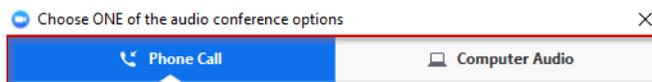

To Join a meeting in progress

1. Click
2. Enter the Meeting ID or Personal Link Name and then click Join
3. If your browser prompts you, allow it to launch the Zoom application.

4. You will join the meeting and then you can make your preferred audio conference options: **Phone Call** or **Computer Audio**

 Dial: +1 929 205 6099
+1 669 900 6833

Meeting ID: 

Participant ID: **35**

Done

To Host a meeting

1. Click  
2. Select the appropriate campus to authenticate to:

University of Colorado
Boulder | Colorado Springs | Denver | Anschutz Medical Campus

Select your campus for authentication:

[Boulder IDP](#)

[Boulder Directory](#)

[Denver Directory](#)

[Colorado Springs](#)

[System](#)

3. Enter your campus credentials through your respective authentication screen:

University of Colorado
Boulder | Colorado Springs | Denver | Anschutz Medical Campus
