

Creating (or Renewing) SPOs in CU Marketplace

The entire Standing Purchase Order (SPO) procedure is discussed in the Step-by-Step Guide [Creating \(or Renewing\) SPOs in CU Marketplace](#).

1. Begin by accessing CU Marketplace via [your campus portal](#). Locate your **CU Resources** section and, under the **Business Applications** area, select the **CU Marketplace** link.
2. From the **CU Purchasing & Payment Forms** section of the CU Marketplace home page, select the **Standing Purchase Order Form...or Standing Purchase Order – Sole Source Request Form** where there is only one supplier who can provide the goods or service being requested. The form will appear in a separate window.

3. Enter the **Supplier** or click the **supplier search** link. Select the appropriate supplier from the list of results.

Can't find your supplier?

A supplier must be set up in CU Marketplace before you can enter a form. Refer to the [CU Supplier Portal web page](#) for guidance.

4. Verify that supplier information is correct. Note that the **Fulfillment Address** is the address to which the SPO will be issued. A fulfillment address specified by the supplier as preferred will default.
5. Enter the required information, indicated by the boldfaced fields.
 - a. Enter the **SPO Description**.
 - b. The **Unit Price** defaults to "1.00" and cannot be changed.

- c. Enter the amount to be encumbered for the current time period, fiscal year, and/or budget period as the **SPO Encumbrance**. This is the amount that will be encumbered on your financial reports. For example, if your SPO is for 2 years and your budget in the financial system is for only one year, then the SPO encumbrance amount should be entered for the first year. After one year, a change order can be processed to increase the amount and extend the SPO end date.
- d. Enter the **SPO Grand Total** amount. This is the amount over the entire term of your SPO. For example, if your SPO is for 2 years with \$10,000 each year, then the SPO Grand Total Amount is \$20,000.
- e. Select a **Commodity Code**.
- f. Enter the **Begin Date** of your SPO.

- g. Enter the **End Date** of the current one year time period or contract period for the SPO Encumbrance.

For example, if your SPO is for a five-year lease, then the end date should reflect the current time period.

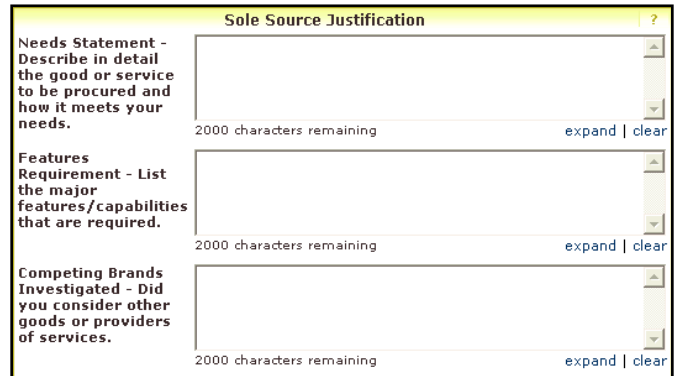

If your SPO is for multiple years, a change order can be processed to extend the end date for each time period.

- h. If renewing an existing SPO, enter the **Standing Order PO # being replaced**.
- i. List the **Authorized Users** for your SPO.
- j. If needed, enter **Additional Notes**. These notes will be communicated to the supplier with your SPO. The ability to add notes to someone other than the supplier is discussed later in this guide.
