

### About Approving

Financial approval is required for every requisition over \$5,000, and for every Payment Voucher regardless of amount. It is given by an individual with a fiscal role on the SpeedType (except Officer or Fiscal Staff-Report Recipient), who also has been granted CU Marketplace Approver access by his or her department.

You will receive an email from CU Marketplace when a requisition is pending your approval.

Are you also an Invoice/Match Exception Approver? Refer to the Quick Reference Guide [Invoice/Match Exception Approver](#).
