Find $ Funding: Dimensions and SPIN for AB Nexus Spring 2023 Grant Applicants

Wednesday, March 1, 2023: View the Recorded Session Here [3] (Passcode: v0v7F.JH)
Wednesday, March 15, 2023: View the Recorded Session Here [4] (Passcode:7F0?Y#Bb)

AB Nexus hosted an interactive workshop, “Find $ Funding: Dimensions and SPIN,” for Spring 2023 AB Nexus Research Collaborative Grant Program applicants. Donna Axel, of CU Boulder’s Research & Innovation Office, provided a demonstration of two tools that can help teams develop the “Leverage” sections of their proposals: (1) SPIN--a searchable web-based database of funding opportunities, and (2) Dimensions—a digital platform for gaining insight into the funding landscape, finding collaborators and learning more about specific opportunities.

- 8/3 AB Nexus Grant Info Session Recording
  - Note: You will need to log into CU Boulder Stream with your IdentiKey credentials to access this recording

AB Nexus Spring 2022 Research Collaboration Grant - Informational Session

Tuesday, February 1, 2022, 9 a.m. -10 a.m.

The AB Nexus is requesting proposals for the research collaboration grant program. The goal of the grant program is to support interdisciplinary research activities that leverage expertise across the CU Anschutz and CU Boulder campuses. In order to review the grant program and answer questions, AB Nexus will host an informational session, via zoom, on Tuesday, February 1, 2022 from 9 a.m. - 10 a.m.

Find Funding Workshop

Thursday, June 10, 2021, 10-11:30 a.m.

Faculty, Staff, postdocs, and students are invited to learn how to set up funding alerts specific to your research through SPIN, an online database of funding opportunities. In addition, Donna Axel of the Research & Innovation Office will introduce other ways to identify funding opportunities. You need not be interested in AB Nexus Funding to attend this Find Funding Session.

AB Nexus Research Collaboration Grant - Research Blitz Event

Thursday, February 18, 2021 9 a.m. - 11 a.m.

Recording: https://www.youtube.com/watch?v=Djt9S-9Z__o&feature=youtu.be

The AB Nexus is excited to coordinate a research blitz event in conjunction with the second round of research collaboration grants. The goals are to 1) build the AB Nexus community by promoting awareness of interdisciplinary research activities and 2) cultivate connections across the Anschutz and Boulder campuses to facilitate opportunities for collaboration.

AB Nexus Research Collaboration Grant - Informational Session

Tuesday, February 2, 2021, 9 a.m. - 10 a.m.
The AB Nexus is requesting proposals for the second round of research collaboration grants. The goal of the grant program is to support interdisciplinary research activities that leverage expertise across the CU Anschutz and CU Boulder campuses. In order to review the grant program and answer questions, AB Nexus will host an informational session on Tuesday, February 2 from 9 a.m. – 10 a.m.

The discussion will be led by:

Diane Ladell, MPH, Research Partnership Specialist, CU Anschutz
Kristen Kruszewski, PhD, Research Partnership Specialist, CU Boulder

Individuals are also invited to learn more about the grant program on the opportunities page [20] of our website. Please email ABNexus_SeedGrants@colorado.edu [21] with any questions.

**AB Nexus Research Collaboration Grant Program- Infosession**

Thursday, August 13, 2020, 11 a.m. – 12 p.m.

The AB Nexus is launching a Research Collaboration Grant program. The goal of the program is to support interdisciplinary research activities that leverage expertise across the Anschutz and Boulder campuses. In order to review the grant program and answer questions, AB Nexus will host an informational session on Thursday, August 13th from 11 a.m. – 12 p.m.

The discussion will be led by:

Diane Ladell, MPH, Research Partnership Specialist, CU Anschutz
Kristen Kruszewski, PhD, Research Partnership Specialist, CU Boulder

**AB Nexus Town Hall**
The AB Nexus represents a high potential opportunity to expand and strengthen areas of research collaboration between the Anschutz and Boulder campuses. By integrating expertise in biosciences, biochemistry, engineering, arts and sciences, pharmacology, immunology, public health, mental health and other areas, AB Nexus will address opportunities to impact human well-being, demonstrate thought leadership and innovation, and spur economic development.

AB Nexus will host a town hall webinar on Friday, July 31st from 8-9 a.m. Please join to hear more about the initiative from AB Nexus leadership and what it can offer.
