Tools & Resources [1]

While we develop resources internally, we'll be directing users to the CU Boulder's Office of Information Technology Digital Accessibility Office [2] resources page for comprehensive information and resources. On this page, you'll find valuable information and best practices, including Content Accessibility Fundamentals, Document Accessibility and Accessible Events & Presentations.

Digital Accessibility Office Resources, CU Boulder [3]

NOTE: We are in the process of developing a SkillSoft course on Digital Accessibility, which will be available in the next few months. Stay tuned for more updates as we work together to create an inclusive digital environment for all.
