Addressing Salesforce Bugs [1]

June 10, 2019 by Melanie Jones [2]

Salesforce bugs must be fixed by Salesforce. Learn how to navigate through the Salesforce Community to search for how-to’s, share ideas, and report bugs. You can also Upvote Ideas to prioritize bug resolution.

How-To Address a Salesforce Bug

- Login to the Salesforce Community [3]
- Search your question for Answers and Ideas

If the Idea already exists, Upvote it
If the Idea does NOT already exist, Post an Idea

Ask fellow Salesforce Community members (eComm specialists & users) to Upvote your idea.

Anyone who has Upvoted the Idea will receive an email notification once it's resolved.
