Addressing Salesforce Bugs [1]

June 10, 2019 by Melanie Jones [2]

Salesforce bugs must be fixed by Salesforce. Learn how to navigate through the Salesforce Community to search for how-to’s, share ideas, and report bugs. You can also Upvote Ideas to prioritize bug resolution.

How-To Address a Salesforce Bug

- **Login** to the Salesforce Community [3]
- **Search** your question for Answers and Ideas

- If the Idea already exists, **Upvote** it
If the Idea does NOT already exist, **Post an Idea**

Ask fellow Salesforce Community members (eComm specialists & users) to **Upvote** your idea.

Anyone who has Upvoted the Idea will receive an email notification once it's resolved.
