

## **Cvent | Credit Card fees** <sup>[1]</sup>

August 2, 2016 by [Kim Egan](#) <sup>[2]</sup>

The monthly Wells Fargo fees are approximately 2.75% of the transaction total for the month. The fees allocated to each Speedtype are based on the volume of the event as a percent of the total that Wells Fargo charges CU Treasury. In addition, AMEX also charges a 2.25% of their total volume, which Treasury allocates in a similar fashion. Since the Cvent cardholders that use AMEX are fairly small, the Speedtype charges per month have been \$5.00 or less per month, per Speedtype. These rates vary from month-to-month, depending on credit card vs debit card usage.
