

## **Cvent | Event form approval & launch** <sup>[1]</sup>

July 27, 2016 by [Melanie Jones](#) <sup>[2]</sup>

All done creating and testing your event? Contact your eComm specialist to approve your event. They will confirm an actual Event Planner Email Address has been added and that emails are configured correctly so the registrant's experience is smooth. They'll also review your financial information so money transfers to the right accounts, among other things. Then you will be ready for launch!

### **More about launching your event and other statuses**
