

## **Cvent Reporting** <sup>[1]</sup>

November 20, 2020 by [Melanie Jones](#) <sup>[2]</sup>

Navigating to Reporting in Cvent varies slightly depending on the type of event you've created. After that - running, customizing and saving a Report behaves the same, regardless of the event type.

### **Trying to get your Report Published to the Portal?**

Don't forget to share the Report Visibility with your eComm specialist. Otherwise the eComm specialist will not be able to view the saved Report or Publish it to the Portal. [Learn more about the Portal.](#) <sup>[3]</sup>

- **Flex & Standard Event**
  - **Express Event**
  - **Cross Events**
- 
- In the left navigation, click **Reports** after expanding the **Reporting** section

## TIP FOR LONG RUN TIMES

Sometimes Reports can take a long time to run. Whether you are getting logged out or you

just don't have the patience, queue the Report and access it when it's ready.

- When the Report is running, select the option below the spinning wheel to **Queue Report**.

Running your report...

Cancel

Don't want to wait? Queue Report and return to your report list page.

- Find the queued report in the **Snapshots** tab
- **View** the report. *Remember the data reflects when the report was queued, not when it is viewed.*
  - Once viewing the report, users can export and filter as usual.
- Delete a view by clicking the dropdown arrow to the right of the View button
