

Cvent, Standard | Setting up your Cvent event's waitlist ^[1]

July 24, 2016 by [\(not verified\)](#) ^[2]

Popularity is such a burden. Luckily, you have Cvent. Should your event close (due to reaching capacity or the registration deadline passing) and invitees still want to come, the Waitlist page will appear when they attempt to register. Take the time to customize this page to guarantee you're getting the data you need and providing the right instructions.

You must be logged into Cvent Help and Support in order to access tutorials.

1. Login to Cvent
2. Click the Help and Support link (top, right)
3. Once you are on the Cvent Help and Support site, you can click the button below
