

## **eComm Upgrade: February 7, 2019 Project Update** <sup>[1]</sup>

February 18, 2019 by [jennifer.mortensen](#) <sup>[2]</sup>

Nalini Kaplan, Director, Enterprise CRM, Center of Excellence, provided the updates below to the eComm team on Thursday, February 7.

### **Next Project Phase**

The COE is actively planning for the next phase of the eComm upgrade project that is anticipated to last from between 10-12 weeks.

### **Migration Planning**

As the campuses begin considering their preferred migration dates, they should be aware that the COE's end-to-end testing will occur during the week of February 18. During the week that follows, the COE will turn over testing and data validation to CU's eComm Specialists.

### **Simple Send**

Work on Simple Send in Salesforce continues. It will be tested in the CU System University Relations business unit before being rolled out to other campuses and departments.
