Tips & Tricks | How to Plan for the Worst: When Everything Goes Wrong at Your Event [1]

May 23, 2018 by Kate O'Connell [2]

Managing events isn't always a walk in the park, especially when it comes to planning for the unexpected. Check out this Cvent blog post [3] to learn about tactics you can use to prepare for just about anything.

Highlights include:

- Levels of impact
- Examples of unexpected problems
- Tips for tackling challenges

You can read the full article here [3].
